and all testers.

A group of Sonic the Hedgehog characters are posed in a futuristic city at night. Sonic is at the top, standing on a red and white airplane. Tails is in the cockpit. Knuckles is on the left, holding a green dragon-like creature. Amy is in the center, holding a purple character. Shadow is on the right. The background features glowing blue and purple buildings and a cityscape.

Thank you for playing!

A vibrant, pixelated illustration of Sonic the Hedgehog and his friends on a roller coaster. Sonic is at the top, waving. Below him are Tails, Amy Rose, Knuckles, and Cream. The background is a stylized cityscape with blue and green lights.
