## What is *Video Games Live*?

*Video Games Live* is an immersive concert event featuring music from the biggest video games of all time. Top orchestras and choirs around the world perform along with exclusive video footage and music arrangements, synchronized lighting, solo performers, electronic percussion, live action and unique interactive segments to create an explosive, one-of-a-kind entertainment experience. Special events surround the show, including a pre- and post-show festival where guests enjoy interactive game demos, a costume contest, game competitions, prizes and the very popular meet-and-greet with top game composers and designers.

The best way to describe *Video Games Live*? Picture the energy and excitement of a rock concert mixed with the power and emotion of a symphony orchestra and choir combined with the technology, interactivity, spectacular visuals and fun that only video games can provide. Completely synchronized, cutting-edge video screen visuals, state-of-the-art lighting and special onstage interactive segments dazzle audiences of all ages – gamers and non-gamers alike.

*Video Games Live* is currently touring the world.
