SONIC

THE HEDGEHOG

Sonic is the main character of the series. A hedgehog who hates to be bored and cannot stop moving around all the time. Sonic believes life should be exciting and looks for adventure everyday. Sonic may be a free spirit who follows his own rules, but he keeps his promises and helps his friends, never betraying them. Because of his keen and intense personality, sometimes he can seem careless, that is why people can be surprised to discover that, when there is trouble, he always comes through and all can rely on him.
