THE ANSWER TO ALL YOUR COMPUTING NEEDS

We take the pain out of buying a computer

We know buying a computer can be difficult. So many deals, so many brands, so many configurations and so many stores, it's enough to give you a major headache. That's where we come in. The Gamesmen are the exclusive distributors of the GMS brand of IBM compatible computers. If you are after performance and price, a GMS computer will satisfy your needs and surpass your expectations. GMS Computer Solutions are dedicated to creating reliable systems for the home and office at extremely attractive prices. GMS have incorporated the latest available technology in their PC's and source components from industry recognised leaders such as Sony, Intel, Creative, Quantum and Panasonic. If you're looking for a computer, talk to us before you make your decision - you'll be pleasantly surprised.
