LYRICS

Trk#01 / It Doesn't Matter ...theme of sonic

well, i don't show off, don't criticize
i'm just livin' by my own feelings
and i won't give in, won't compromise
cause i only have a steadfast heart of gold

i don't know why, i can't leave though it might be tough
but i ain't out of control, just livin' by my word
don't ask me why, i don't need a reason
i got my way, my own way

* it doesn't matter now what happens
i will never give up the fight
long as the voice inside drives me to run and fight
it doesn't matter who is wrong and who is right

well, i won't look back i don't need to
time won't wait and i got so much to do

where do i stop, now it's all a blur and so unclear
well, i don't know but i can't be wrong

* <repeat>
place all your bets an the one you think is right

* <repeat>
it doesn't matter who is wrong and who is right

Trk#03 / Escape From The City ...city escape

rolling around at the speed of sound
got places to go, got to follow my rainbow
can't stick around, have to keep movin' on

guess what lies ahead only one way to find out

must keep on movin' ahead
no time for guessin', follow my plan instead
trusting in what you can't see
take my lead i'll set you free

* follow me - set me free - trust me
and we will escape from the city
i'll make it through
follow me - set me free - trust me
and we will escape from the city
i'll make it through prove it to you
follow me

danger is lurking around every turn
trust your feelings, got to live and learn
i know with some luck that i'll make it through
got no other options only one thing to do

i don't care what lies ahead
no time for guessin' follow my plan instead
find that next stage no matter what that may be
take my lead i'll set you free

* <repeat>

follow me
i'll make it through...

Trk#15 / Fly In The Freedom ...theme of rouge

tap the rhythm against the floor
to look for another door
a am slipping to the mystery of the night
i know there is an easier way
but it is my choice anyway
don't let me waste my time in futile thinking anymore

fated not to be tamed
watch me, I never will lean upon you
i can go by myself

* - fly in the freedom -
time never stop and wait for me
- Show the way -
looking for answers and looking for the clue

fly in the freedom

nobody taught me to hint
win a happy life of a dream
i'm not waiting for a fortuneteller
i feel that my wish will come true
i've never thought ahead to that luck
is it my treasure?
tell me what i've really looked for?

fancy came to my mind
it leads me to somewhere far away
distant place, distant time

* <repeat>
- fly in the freedom -
there is a lot of things to do
come on, (i'm) ready to gamble
it's time to play the game
** - fly in the freedom -
tell me, what is the feeling?
- show the way -
i'm in a paradise, i'll keep it forever
- fly in the freedom -
i'll never stop my steps
i believe in myself, i know that I can
sure i know

* <repeat>
- fly in the freedom -
there is a lot of things to see
come on, (i'm) ready to gamble
it's time to play the game
** <repeat>
- fly in the freedom -
dreams are always around me
oh it comes to my hands, it's really clear to me
Sure I know.

seened a crazy look egg man's face

* don't let it hit' cha move
don't let it hit' cha move

don't let it get' cha groove
don't let it get' cha groove
don't let it get' cha groove
groove
don't let it get' cha groove

* <repeat>

Trk#19 / Believe In Myself ...theme of tails

when all alone in my chair, i just go about wishing
wanna be strong, really wanna be trusted, ahh
when all alone in my bed, i just go about yearning
wanna be cool, i also wanna be like him

but that's not something i can do so easily
this is not simply my way, my own style
gotta get a hold of my life

* i wanna fly high
so i can reach the highest of all the heavens
somebody will be waiting for me so,
i've got to fly higher

when all alone in my sleep, i just go about dreaming
i see myself there, having the same adventure

if i just follow you, i will never see the light
now's the time to find my way through this life
trying so hard to be strong

i gotta keep goin'
everything is a brand new challange for me
...and i will believe
believe in myself
this is the only way for me

many friends help me out
in return i help them
certain things i can do
and there are things that only i can do
no one's alone!

* <repeat>

Trk#21 / Throw It All Away ...theme of shadow

now, wake up (x3)

everybody tries to be straight
but things are still unchanged
it's useless to resist
their effort will be wasted
head straight for your goal by any means
there is a door that you've never opened
there is a window with a view you've never seen
get there no matter how long it takes

* oh dark, the darkness that dozes in the dusk
throw it all away
no one can break you, nobody can tear you
you live an endless life forever
oh dark, the darkness that dozes in the dusk
throw it all away
you see a light wherever you go

you have to face it again and again

again and again again again...

* <repeat>

you live an endless life forever
forever...

* <repeat> x2

Trk#23 / Supporting Me ...biolizard

i'm gonna be desperate

never lose... hurry... never lose... hurry...

i believe in my future
farewell to the shadow
it was my place to live
but now i need your hand
lead me out with your light
i have breathed in the disgusting air of darkness
but i never lose out to the pressure

everything is just like an illusion
i'll be losing you before long

i never lose my confidence

i know you are supporting me
supporting me... supporting me...
i'll be losing you before long

Trk#25 / Live & Learn ...main theme of SA2

can you feel life moving through your mind
looks like it came back for more - yeah yeah yeah
can you feel time slipping down your spine
you try and try to ignore

but you can hardly swallow
your fears and pain
and you can't help but follow
and puts you right back where you came

* - live and learn -
hanging on to the edge of tomorrow
- live and learn -
from the works of yesterday
- live and learn -
if you beg or if you borrow
- live and learn -
you may never find your way

can you feel life tangle you up inside
and now your face down on the floor

but you can't save your sorrow
you've paid in trade
and you can't help but follow
and puts you right back where you came

* <repeat>

there's a face searching far, so far and wide
there's a place where you dreamed you'd never find
hold on to what if...
hold on to what if...

* <repeat> x 2 times
