## " THE COIN MACHINE MERRY-GO-ROUND "

"Write A Letter". Jim Mangan (Mills Novelty Company) probably wrote one of the greatest and most stimulating articles in the world of American Letters when he wrote, "Write A Letter". Thousands of copies were printed and distributed by Uncle Sam's Post Office. This is the time for you to "Write A Letter". Write one to The Cash Box - NOW - giving us your views, news, facts, reports, ideas and predictions. Remember, The Cash Box is YOUR way of telling the rest of the trade what you believe - CONFIDENTIALLY.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

From down Miamiway comes the news that the annual (or as one guy says, "The semi-annual") investigation is on again. A few of the boys from down thataway feel that this time they may wind up the F. P. situation. The most of the coinmen report that they are still going ahead in this highly militarized area - the old grey mare what used to be the Miami gay life ain't so anymore - with bars closing at 5 P.M., dimouts, and most of the hotels occupied by our troops - it's just another town now.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

On request of one of our arcade subscribers we frantically phoned here, there and everywhere and at last located a few cases of .22 cal. shorts for him. The price asked (to put it mildly) is absolutely outrageous. But, in these days, it seems to be based on being able to get these at all, rather than close the rifle range in the arcade. The price asked was \$300.00 for a case of 10,000 which leaves the arcade op exactly \$60.00 profit. If any of our other subscribers can get these at a lower price please advise us. You'll be helping a fellow subscriber.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Harry Rosenthal who just became manager of the new Automatic Specialty Company of Pittsburgh and subscribed to The Cash Box the very same day writes, "Thanks for the privilege of allowing me to become a subscriber." (We feel, Harry, that it's a privilege to have you as a subscriber.)

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Abbott V. Brunelle of U-Need-A-Pak Sales Co., Springfield, Mass., (one of our oldest subscribers) wrote in seeking manufacturers who do revamp work. We recommended Abbott to Exhibit Supply Company and the very next day comes the announcement that Harry Williams who was with that firm has now started into the revamp business. Once again The Cash Box got there first. Of course, Abbott, don't overlook Sullivan-Nolan Arco Sales Company and also Glickman Industries.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Hy Branson of J. E. Cobb Distributing Co., Louisville, Ky. needs those 5¢, 10¢, 25¢ Jennings Silver Chiefs as he proclaims in his ad. We feel sure, Hy, that our subscribers will get them for you for many of the boys have these in stock. (Aside to Hy - what we should like to know is just where those quarter pieces are being placed. Won't you tell, honey, not even for a great big kiss?)

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Joe Calcutt, The Vending Machine Company, Fayetteville, N.C., another of our oldest subscribers has been so much impressed with The Cash Box that he is passing the word along for all the topnotch active members in his territory to become subscribers just as fast as they possibly can get their checks in.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Note how prices on F.P. pins continue to bounce up and down like a guy with ants in his pants. The better games, tho, are holding up and going up and getting harder and harder to get. We predict that by mid-September the F.P. pins market (all other

things being equal) will settle down to a real price level that will be higher than ever before. We also predict that still more F.P. pins will be seen in still more territories.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

When consoles hit a very low low some months ago we predicted that this field would come back stronger than ever by the end of the summer. Not only has this prediction been proven true, but just look at the prices now being asked. And that ain't nothin' yet, sonny, look again and be amazed - THIS WINTER. (And that's a prediction, too.)

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

The tube situation is only critical because certain coinmen are hoarding. Tho a very definite priority is required - supply firms report they'll be getting them. Prices will go up a bit on some and stay put on most.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Phono operators are going ahead. Have you noticed how many new eating places have opened, especially in war plant areas? We predict that phonos will be taking in more nickels this late Fall and Winter than ever before in their history. With the film industry now going into a ration basis for the movies and with the neighborhood movie houses raising their seat prices and with all other entertainment prices on the way up - ye olde tavern, diner, drug store, etc. will again become the town's meeting place and phonos will be playing their fool heads off all Winter long. Take a tip - keep the volume down - this may cost you a few nickels in the take, but, it's a helluva lot better than having some blue nosed reformer yelling "noisy nuisance".

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Have you ever, you old timers, seen the prices of slots so high? Doesn't that give you some idea of the trend of the times? If it still doesn't - then let us predict for you that you'll see more slots running on the "sh-sh" basis than you've ever seen before. And take this from us - the public's hungry for 'em.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Willie (Little Napoleon) Blatt of Supreme Vending Company, Brooklyn, who reports that he is clicking with his new legal game, "Keep Punching", tells us, "Since you mentioned it in The Cash Box, the only place we would allow mention of it, we have received letters from all over the country asking more about it. So, I've just completed a circular on it for private distribution." (Thanks, Willie, them's sweet words.)

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Philadelphia leaders subscribed en masse for The Cash Box this past week, proving that you just can't keep good men down. Among these subscribers were: Al Rodstein of Arco Sales Co., Joe Ash of Active Amusement Machines Corp.; Archie A. Borger; Jack Kauffman of K.C. Novelty Co.; Harry H. Brown; Eddie Casnoff of General Coin Machine Co.; Bill Helrigel of Keystone Novelty & Mfg. Co.; Sam Stern of Keystone Vending Co. Thanks a million you Philadelphians - you are of the very swellest.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Demand for legal equipment grows heavier from the Pacific Coast every day. Some very fine orders have been shipped there from Eastern parts. Wires and letters continue to come in regularly.

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Here's our last and biggest prediction for this industry this issue - that the entire coin machine field will see faster action and bigger take by the start of the colder months than they have ever before seen in all their lives. AND HERE'S WHY WE MAKE THIS PREDICTION -- money (cash) in circulation this past week in the U. S. rose to \$12,794,000,000.00 (OVER 12 AND 3/4 BILLIONS OF DOLLARS). This is 150 MILLIONS more than last week, 310 MILLIONS more than last month, and 3 BILLIONS more than last year. People are NOT hoarding because bank deposits are rising, too. Most of this money means - NEW SPENDING POWER - money in the pockets of millions of workers who will let loose sometime late this fall and when they do - YOU'RE IN!!

-----ALWAYS BOOST The Cash Box ALL-WAYS-----

Dear Mother  
I received your letter of the 10th and was  
glad to hear from you. I am well and  
hope these few lines will find you the same.  
I have not much news to write at present.

I have been thinking of writing to you  
for some time but have been so busy that  
I could not find time. I have been  
working hard at my studies and have  
not had much leisure time lately.

I have been thinking of you very much  
and hope you are all well. I have  
not heard from you for some time and  
wonder how you are getting on. I  
hope you are all happy and contented.

I have not much news to write at present.  
I have been busy with my studies and  
have not had much leisure time lately.

## NOTICE!

On behalf of those subscribers who have written to us regarding our establishing a firm policy about shipments of merchandise by our advertisers, advertised as perfect and being exactly the opposite, as well as advertisements of equipment which the advertiser does not have on hand at the time of placing his advertisement, but uses as "bait" to attract inquiries — The Cash Box will instantly publicize any such firm using such tactics as well as return whatever amount of this firm's subscription as yet to be completed so that such firm will no longer be a subscriber nor in the future be able to subscribe unless complete restitution has been made in the meantime — and therefore will not be able to use the advertising columns of The Cash Box. As yet, we are extremely happy to state, we have not had to contend with any complaints of the above nature. We are adamant in the sincerity of our endeavor to keep The Cash Box not only a confidential, sparkling and intelligent medium for our subscribers — the active members — the real leaders of the coin machines industry — but also attempt in every possible way to maintain The Cash Box as one medium wherein all practices of good, clean business will be observed. We feel certain that all of our subscribers will agree to the above principles.
