I AM... ALL OF ME

I hear no speak no evil black writing's on the wall
Unleashed a million faces and one by one they fall
Black hearted evil or brave hearted hero
I am all I am all I am...

Go ahead and try to see thru me
Do it if your dare
One step forward two steps back I'm here

Can you see all of me
Walk into my mystery
Step inside and hold on for dear life
Do you remember me
Capture you or set you free
I am all I am all of me...

I am... I'm all of me...

I see and feel the evil
My hands will crush em' all
You think you have the answers
I'll laugh and watch you fall
Black hearted evil or brave hearted hero
I am all I am all I am...

Go ahead and try to see thru me
Do it if your dare
One step forward two steps back I'm here

Can you see all of me
Walk into my mystery
Step inside and hold on for dear life
Do you remember me
Capture you or set you free
I am all I am all of me...

I am I am everyone, everywhere, anyhow, anyway, any will, any day
I am I am everyone, everywhere, anyhow, anyway, any will, any day...
