The spectacular rise of Al Martino is testimony to what a hit record can do. An unknown just a few months ago, Al made a record called "Here In My Heart" which swept the country and swept him to stardom. As a result he was signed to a Capitol Records contract and followed his first hit with still another, "Take My Heart." Here he is shown with film star Marilyn Monroe during his recent trip to Hollywood.

Suspended from the grille of every Wurlitzer Fifteen Hundred is a little gold corded booklet that contains a message which includes this statement—

“We confidentially predict that it will make more money for you than any phonograph you ever operated.”

All over the country that prediction is coming true. We knew it would. It is only natural for the world's finest coin-operated phonograph to prove the top money-maker of them all.

## Of Importance To Music Operators:

# BETTER PROGRAMMING BIGGER PROFITS

A great deal of money is spent by this publication to bring music operators as complete a knowledge, as is humanly possible, of the leading tunes, songs just coming up, records that are already in the top category, and records that are clicking everywhere in the nation.

The one big reason for all this expense is so that the nation's juke box operators will better understand just which records are bringing in biggest profits, and which are coming up into that classification, so that they can prepare themselves as one fades, and another jumps, to the top.

Programming the automatic phono is of such tremendous importance that this expenditure on the part of *The Cash Box* has been proved to be an absolute necessity for those progressive operators who realize that what they are actually "selling" is music.

The fact remains, tho, that a great many of the nation's music operators pay little attention to the importance of programming. Many operators leave this extremely important vital duty to some employee and forget all about it.

When they find their phonos earning less than those of another operator they blame it on everything, but programming.

It is also almost impossible to find a distributor of automatic phonos who can without hesitation name the current top ten tunes. In fact, it is a good bet that the average distributor won't be able to name the top five tunes.

He, along with his operator-customer, thinks more of the mechanical factors involved than in the most essential basic factor, which is the sale of music. The mechanics can take care of mechanical deficiencies. Collectors can collect, clean, and sparkle-up any phono.)

But, choosing the music for each and every individual location, is today an important and outstanding task. It requires a knowledge of the top current tunes. An understanding of what people want and require in music.

In the days of ten and twenty selection phonos, the problem wasn't as difficult as it has become today, where forty, eighty, one-hundred, and one-hundred-and-four selections, have to be chosen.

Each one of those selections is a potential income producer for the operator from each location.

When this then, is taken into consideration, the operator (as well as the distributor of the phonos) begins to realize how defi-

nitely important correct programming has become.

There must be a selection for everyone of the people who patronize each and every location, aside from the top tunes which will always bring the lion's share of the income.

The fact remains that the extra coins the extra records produce are sometimes the difference between profit and loss on many, and many locations.

There is no doubt that the time will arrive and soon too, when leaders in the automatic music field will begin to employ outstanding music programming directors, so that these men can teach operators just how to program a phonograph for profitable operation.

As those who have been reading *The Cash Box'* editorials for over the past ten years realize, this is not the first time this publication has pointed out the extreme and vital importance of correctly programming phonographs for profitable operation.

But, today, more than ever before, with so much greater selectivity in vogue, programming has stepped up in importance, just as the number of selections per automatic phono have stepped up.

It is surprising, many times, to walk into the offices of noted automatic phono distributors and ask them, point blank, "Say, what're the four top tunes?"

They stare. Then laugh. Usually scratch their heads, and answer: "I'll be darned if I know.

"But wait," they say, "ask one of my men in the back room."

And, many times, even the servicemen and collectors in the 'back room' don't know.

At first, it seems quite reasonable to believe that the man who sells or the man who operates the automatic phonos, needn't know the current top requested tunes. (The fact that the seller can sell and the operator knows how to operate seems to be sufficient, at least to many in the field.)

But, especially today, that is definitely not the case. With such greater selectivity in fashion, the seller must know more about programming to be able to assure the buyer that he will earn more and, thereby, more quickly amortize his investment, and then come back to buy still more machines.

The operator, in turn, because once he buys the machine is now the "boss" of the business, must study programming, just as if he were studying the one and only way to earn a decent livelihood.

*Better programming—bigger profits.*

# SCHOOL FOR MERCHANDISING

How often have you heard a dealer or distributor say "We're just not selling any records"?

Often enough we imagine.

The blame for not selling records is usually put on dozens of causes—current economic conditions, poor disks, lack of promotion or any other reason that happens to sound good at the moment.

But the problem which few sellers of records face up to is the lack of training they give their own personnel so that in effect instead of being equipped to sell records employees very often can only relay customers requests. In other words they can only take orders.

It is this situation—and it exists on every level of record distribution—which keeps the sale of records down in bad times and prevents the attainment of the greatest potential in good times.

It's true there are many difficulties inherent to the training of sales personnel. First of all the turnover is usually so heavy that it's seldom that a firm can take the first month to simply school the new employee. He usually has to jump right into the thick of things without a proper background of the industry and with very little knowledge of how to sell records or what sells records. And so the usual result is that he doesn't sell records.

Yet even if the individual firm is able to give some training to its new employees, there arises the question of how to go about it, what to teach first, which are the best methods.

There is an agency now through which a uniform system of training can be established. That is the Record Industry Association of America. One of the most urgent needs in the industry, and one which the RIAA could readily fulfill, is the establishment of a School For Merchandising.

By a School For Merchandising, we don't mean necessarily a formal central establishment for that would obviously be impossible. But what could be created is a flexible training program with enough data to meet training needs in various different types of enterprises, different sized businesses and ones in different locations.

This could be created in the way that correspondence courses are created, and in many different forms. If they were done right, they would be able to meet the needs of those firms which possibly could only take an hour to train its personnel or those firms which could afford much more extensive training.

The course of training, we might suggest, no matter how it is developed, should be a continuous one so that even after an employee learns the basic facts, his work and approach and salesmanship could constantly be reviewed.

In this course, the best examples of what to do to create effective sales organizations could come from within the industry itself. For we have some top notch sales organizations right in the record business, ones developed by Capitol, Columbia, RCA Victor and Decca to cite a few. These could very well serve as guides for the rest of the industry.

The RIAA has an important job here. But it can only do it successfully if everyone in the record industry is willing to impart his knowledge and experience to the new members of the industry, to the recruits, the trainees—if all of us share some of our know how to the end that the entire business is benefited.

And if as a result the record business as a whole reaches new levels of sales, new importance, new stature, then those who for the moment are doing the giving—by way of sharing knowledge—will in the long run be the recipient of the benefits.

The big noise this week is the NAMM Convention at the Hotel New Yorker in New York City. All the record manufacturers were represented with booths at the show. The politickin' going on on the exhibit floor and in the hotel rooms was thick and smokey. Distributors from all over the country toured up and down the halls as the strains of new releases being plugged by the diskeries could be heard coming from every direction. Bill Randle of Cleveland was making the rounds as was Robin Seymour of Detroit, and they could be seen being promoted by everybody with a record. Also on the floor was Bill Silbert of the Dumont Network in New York. . . . Pete Ward, formerly of WARE-Ware, Mass.) is now with WCCM-Lawrence, Mass. . . . The Miami, Florida newspapers went all out on a dramatic rescue by WWDC-Washington, D. C., announcer Fred Fiske who was basking under the sun on the beach. It seems that one of the fairer sex was swimming in the ocean and was caught in a riptide which slammed her against a pole. The young lady cried for help and Fiske beat the life guard to the scene and rescued the damsel.

Dewey Phillips (WHBQ-Memphis), whose unfortunate penchant for breaking and fracturing his legs has kept him wrong side down (in Memphis' VA Hospital) for the past several weeks, is back on the job again spinning platters and patter. Although bedded with splints and casts, Dewey continued his "Red, Hot, and Blue" show via remote hook-up to his hospital bunk. Barely visible in the background of the picture to the left is Lou Krefetz, Atlantic Records leg-man, "pushing" the new Clovers disk "Wonder Where My Baby's Gone." Lou spent a day last week visiting with Phillips. . . . The new WFGM-Fitchburg, Mass., lineup as announced, is: Tal Hood, who takes over a program director and deejay in the John Wrisley spot; Kirk Anderson, formerly of WLYN, in the Paul McNally ayem slot; and Bob Ostberg, holdover. . . . Art Brown (WWDC-Washington, D. C.) is touting a young lyric tenor who caused quite a stir on the station's "Amateur Hour" July 20th. Twenty four year old Boyd Dienbour scored so heavily with the radio audience that Brown has placed

DEWEY PHILLIPS (WHBQ—Memphis)

him under contract and is now recording audition disks for both RCA-Victor and Decca Records. . . . The Capital Broadcasting Company, which owns WWDC announced that it has filed an application with the Federal Communications Commission for a television station in the Washington area on Channel 20. . . . In New York to attend the NAMM show was Horace Newberry (WEDO-McKeesport, Penna.). Horace is on the air Monday through Friday 8:05 till 8:45 P.M. with "Cutting Capers with Horace."

Sid Dickler added another birthday candle to last year's cake on July 19. "The Ole Mustache" and Mrs. D. toasted each other July 22 on 10 years of their marriage. Sid's all ready for any business in his new setup at 351 Century Building, Pittsburgh 22, Pa. He's in with theatrical agent Joe Hiller and will be WMCKing out of his office daily. . . . Gene Whitaker (WREV-Reidsville, N. C.) has given his Friday "Danceland" show over to The Cash Box Top Ten. He also plays the Sleeper of The Week and the Disk of The Week and is delighted with the audience response. . . . Hal Murray (WKAT-Miami Beach, Fla.) is doing a stint from the new Casbah nitery in Miami over WINZ. Irv Bergman, owner of the spot, is the former prexy of Manor Records. Hal is hot about Lorry Raine's "Underneath The Love You Tree" and is giving it a steady spin. . . . Red Munro (WTMA-Charleston, S. C.) is recovering from a stomach operation at the Roper Hospital, Charleston. Red had quite a job as the surgeon made merry with his innards for 6½ hours. He would like to say thanks to all the thoughtful people who wrote, wired, and called after being informed of his illness by Ansley Coehn of WTMA. Among the get well messages were notes from Mary Smal. Champ Butler, Louis Armstrong, Tony Bennett, Bobby Wayne, Barbara Belle, Paul Brown, and many, many more. Munro expects to return to the mike about the end of August and his "Fun Dial" show will use the Percy Faith recording of "Da-Du" as the theme.

**C** "MARIE" (2:34) Brother Bones uses his knives to accompany his whistling on this oldie with a moderate beat. Number keeps a terrific beat for dancing.

**LOUIS JORDAN ORCHESTRA**  
(Decca 28335; 9-28335)

**C** "ALL OF ME" (2:23) A grand quick beat currently being revived is delivered in the truly fine fashion that Louis Jordan can give it. Thrush Valli Ford does an equally interesting yet different vocal job on this number.

**C** "THERE GOES MY HEART" (2:50) Louis solos vocally on this side and comes up with a mighty pretty reading of a slow number that makes for fine listening. Ork gives the artist some fitting support.

**LOUIS PRIMA ORCHESTRA**  
(Columbia 39823; 4-39823)

**B+** "ONE MINT JULEP" (2:35) The man who plays pretty for the people, Louis Prima, offers a low down reading of a moderate beat number which is currently riding high on the rhythm and blues lists.

**B** "CHILI SAUCE" (1:55) Louis chants a cute novelty item with a light bounce in his own enjoyable and inviting fashion. The band's vocalizing helps make this cutie with a samba beat good listening.

## THE CASH BOX DISK OF THE WEEK

"YOU COULD MAKE ME SMILE AGAIN" (2:46)  
"ROSES OF YESTERDAY" (2:40)  
**TONY BENNETT**  
(Columbia 39815; 4-39815)

TONY BENNETT

● Tony Bennett continues to roll out those beautiful ballads with all the warmth and feeling that he can put into them. On his latest waxing he comes up with a rendition that is labeled hit all the way. "You Could Make Me Smile Again" is a lovely ballad that Tony lets all his emotions out on. It's definitely one of his best read sentimental numbers. Percy Faith's lush and fitting backing gets full credit also. The bottom lid is another slow romantic ballad called "Roses of Yesterday," and gets an expressive reading by the songster. We look for the top deck to make the "A" grade.

"YOU'RE MY DESTINY" (3:10)  
"MY THRILL" (3:10)  
**ALAN DALE**  
(Coral 60809; 9-60809)

ALAN DALE

● A brilliant performance is most capably presented by Alan Dale as he deals up a great number entitled, "You're My Destiny." The side, a slow romantic piece, is given an inspired reading full of depth and color. With the aid of Ray Bloch's ork setting the mood, the artist's voice presents itself to full advantage. The touching rendition is sensational. The under deck is a smooth offering of a most pretty tango with fitting lyrics set to the melody of "La Paloma" and is named "My Thrill." Our thrill is the top side and we suggest that ops get with it.

"FEET UP" (2:35)  
"JENNY KISSED ME" (2:40)  
**GUY MITCHELL**  
(Columbia 39822; 4-39822)

GUY MITCHELL

● From the voice of the same artist who has given us so many grand and happy hand clapping bouncers comes another similar type number. The artist, Guy Mitchell, has another sure hit as he talks about his baby boy on a laughter full and spirited recording of a tune tagged, "Feet Up (Pat Him On The Po-Po)." The rousing bouncer wonderfully done is brilliantly backed by Mitch Miller ork and chorus. Flip is a slow tender folk type number done with absolute feeling by Guy and his gang. Both sides are terrific but we're tickled with the top deck.

"FOREVERMORE" (3:04)  
"TAKE IT OFF" (2:45)  
**DENNY VAUGHAN**

DENNY VAUGHAN

● Denny Vaughan, the vocalist, arranger, composer, pianist, and conductor, uses his vocal assets to come up with an "A-1" side that looks bound for the heights. The versatile artist sings a most beautiful ballad that has a fine set of lyrics and a lovely melody. Denny's own ork plays the backing for this side labeled, "Forevermore." On the under side the vocalist teams with Nancy Reed to chant a cute novelty number about girls hats. Talking injected in the waxing makes side interesting. We're excited about the top lid and we look for it to break very soon.

**ARTIE WAYNE**  
(Vogue 1007)

**B+** "THE LAST DANCE" (2:53) With the orchestra and chorus directed by Herm Saunders, Artie Wayne presents a feelingful rendition of a slow number with pretty lyrics set to the lovely melody of Brahms "Lullaby."

**C+** "I AIN'T-A GONNA GRIEVE" (2:43) Artie, with the aid of the chorus once again, gives a familiar bounce number with a folk type air a colorful reading. Saunders' crew again gets ork credits.

**FRAN McKENNA**  
(Cardinal 1002)

**B** "TIME WILL TELL" (2:28) The Sun Rays provide an interesting electric harmonica background to Fran McKenna's most inviting way of chirping a lovely slow number with fine lyrics. Fran and husband Joe wrote number.

**C** "PLEASE DON'T TALK ABOUT ME WHEN I'M GONE" (2:25) Fran and the Sun Rays do a persuasive job on a wonderful oldie with a moderate bounce pace. Most of this deck features the harmonicas.

**BEN LIGHT**  
(Tempo 1250)

**B** "I'M YOURS" (2:40) A polished performance of fleet fingering by the master of the 88's, Ben Light is presented on this deck. The slow number is the old tune which has the same name as the current pop hit.

**C+** "LOVE TALES" (2:05) Lloyd Sloop and Ronald Gray provide the organ and drum background respectively as Ben Light fingers another lovely moderate beat number on the piano.

**CHAMP BUTLER**  
(Columbia 39819; 4-39819)

**B** "YOU INTRIGUE ME" (2:15) An inspired reading of a lovely number with a rhythmic tango beat sung by Champ Butler teams up with a fitting backing by Percy Faith and his ork to make a fine side that could happen.

**C+** "HENRIETTA'S WEDDING" (2:10) A cute light Latin beat number written by Josef Marais gets an enjoyable going over by the Champ with backing credits for the novelty going to the Faith ork.

**JOE MEDLIN**  
(Decca 28330; 9-28330)

**C** "WHAT'S TO BECOME OF ME" (2:54) Joe Medlin gives a slow and sentimental ballad a resounding and full voiced treatment. Ballad gets a smooth and fitting backdrop.

**C+** "JUST YOURS ALONE" (2:46) A belting opening is the manner in which the artist presents a Latin tempo ballad with a slow beat. Joe gives this number a resounding and full reading also.

# ROUND THE WAX CIRCLE

## NEW YORK:

The news around New York this week was the NAMM convention. Dealers and distributors from all over the country were in town meeting manufacturers and artists. Some however felt that the record people were lost in the midst of such a large convention and that they ought to have a separate showing of their own. . . . Capitol Records gave a big party last Wednesday attended by all segments of the trade. Highlight was a film produced by Glenn Wallichs called "Wanna Buy A Record?" . . . All the presidents of The Four Lads' fan clubs got together to give the boys a shindig at the Stockholm Restaurant. . . . Dave Miller, the Philly record whiz, preparing a bombshell with his new boy and girl singing discoveries. . . . Sentimental jazz fans deploring the news that New York's famous Savoy Ballroom will be razed. . . . A lot is happening to Billy Keith, new King artist, all at once. His first record release of "High Noon" is getting excellent reaction; he just became the father of a baby boy; and now he is buying a new home. . . . Bob Cole's orchestra does a fine job of backing on the new Vernon release of "Our Love." . . . Johnny Desmond celebrated his third anniversary on Don McNeil's Breakfast Club this week. . . . Buddy Basch and Dick Gersh are now handling promotion for Frank Stevens. . . . Danny Sutton was such a smash at the Cops in Pittsburgh last week that owner Lenny Litman signed him for a return engagement this fall at quite a boost in salary. . . . Alan Dean opens a one week engagement at the Caribe Hilton in Puerto Rico on August 8. . . . Joe Marsala and his wife, Adele Girard, in town for a short visit from Aspen, Colorado where he now makes his home. Devotes his time to writing now.

ALAN DEAN

As the young voices go up the ladder, they all dream of the time when they will "make New York" which, they usually claim, is the peak of all success for all vocalists. Provided, of course, that they make good in the Big Town. But, Ray Cura, sensational young voice came from the East. To make good here in the Midwest. Young Ray is a Brooklyn product who found that, tho the people back home liked his voice, it was Chicago that really appreciated him. What's more, Ray's a pretty lucky boy, because Dave Don, his personal manager, discovered him. And of all places, while having his car loaded with gas at a gas station. The owner of the gas-em-up-joint begged Dave to hear Ray sing. Dave did. And tho he's never managed theatrical people before, Dave's proving himself a terrific manager. Ray Cura has been plugged by such leading lights as: Arthur Godfrey, Robert Q. Lewis, Cee Davidson, Myron Cohen, and many others. Watch this kid. He's moving up. . . . Friend Mack Clark writes to advise that he's now in position to handle some promotion for those who need it in the East. . . . Southern Music, after 22 years of representation here, closed their offices. And discontinued the services of veteran Bob Cole. Bob was with Southern for ten years. . . . Try this sometime. Phone the "Duke" (Ellington, of course) about 6 P.M. You'll probably find him still abed and, in a sleepy, sleepy voice askin', "Huh, wha', huh?" (Sure don't sound like the Duke at that early (?) hour). . . . Everyone 'round here talking about Louie (The Preem) Prima's cuttin' of the "Adlai" and "Ike" tunes—back to back yet. . . . Les Paul and Mary Ford, two very grand people, into town this coming week. . . . Bob Porter, of WIND's "Night Watch," became the proudest pappy on the airwaves the other nite when Mrs. Porter brought another son (No. 2) to call him "Dada." . . . RCA Victor's deejay show here on August 10 will be "really different" from what Rocky Rolf reports. Seems this show will mark the debut of Bill Evans' son, David. It'll be a "father-and-son" deejay show.

## CHICAGO:

Turns out the NAMM Convention in Gotham got quite a turnout of West Coast record execs at that. . . . Among those we learned had decided to tear loose from their ever-loaded desks to make the jaunt were Capitol's Lloyd Dunn and Gene Becker, Imperial's Lew Chudd and Recorded in Hollywood's Franklin Kort. . . . There was also a chance that Aladdin's Leo Mesner, Specialty's Art Rupe and one of Modern's Biharis might grab a fast plane out in time for the show. . . . From Capitol's on-the-ball publicity gal Margie Olofson comes word that Ben Light set a new record in cash customers for the Palm Olive Cafe in Fresno, where Ben played the 200-seat spot to stand-up crowds for two weeks. . . . Important to note how a live date can stimulate record action over the retail sales counter and on the boxes, what with his latest Capitol disc hitting a new for Fresno both in the shops and with ops. . . . Genial Gene Norman, the KLAC dee-jay and concert impresario, was all set for a turn-away crowd at his 3rd Annual Blues Jubilee in Shrine Auditorium on July 27, with a solid artist line-up in Big Jay McNeely, T-Bone Walker, Helen Humes, Peppermint Harris, Al Hibbler, Floyd Dixon, Jimmy Witherspoon, Joe Houston, Charlie Norris, Jim Wynn and Recorded in Hollywood's sensational new blues-singing find, Little Caesar. . . . Proof that the supposedly sophisticated gentry who ride the Sunset Strip range can go for western music is offered in the very nice showing Capitol's Jimmy Wakely has been making during his current Ciro's engagement. . . . And the competition up the street has been considerable, with Billy Daniels holding forth at the Mocambo. . . . Decca's Louis Jordan and His Tympany Five were expected to bulge out the walls of the Tiffany Club with all the supporters of "Jordan for President." . . . Nice little get-acquainted note from Bob Bacon, newly appointed promotion manager for Ray Thomas Company, Columbia Record distributors. . . . The folks within hearing distance of WBRE in Wilkes-Barre, Pa., will remember Bob from his dee-jaying days via the "Bacon for Breakfast" show. . . . Bob tells us how well he's long thought of The Cash Box, and we're sure we'll be thinking well of him, too.

## THE CASH BOX SLEEPER OF THE WEEK

"THAT'S WHAT A SONG CAN DO" (2:49)  
"YOU INTRIGUE ME" (2:46)

BERNICE PARKS  
(Seeger 7003)

BERNICE PARKS

● Here is a number that could make Bernice Parks one of the top stars in the music world. It's an absolutely sensational waxing. This

DEROIT, Mich.—Don Cornell broke all records on his recent two-night appearances at Edgewater Park in Detroit. Playing to about 10,000 people, Don also found the time to drop in on his good friend Ed McKenzie "Jack The Bellboy," well known Detroit disk jockey, to check on his latest releases "This Is The Beginning Of The End" and "I Can't Cry Anymore."

## The HALE You Say

by natt hale

Among the more amusing aspects of the business, we opine, is the frequent allusions made by all and sundry as to how well a particular record is doing elsewhere. Time and time again, we've heard promotion men, publishers' contact-men, artist managers, etc. expound on the merits of some woebegone waxing effort, finally punching the argument home with the statement: "It's breaking wide open in Ithaca!"

NATT HALE

Here's the big, fat bulletin: The deejays, juke box operators, retail dealers, distributors and anyone else concerned with the promotion and sale of the discs just don't giveadam!

It appears that different geographical regions have developed a taste for the moment musical which appeals only to their own pink, shell-like auditory appendages. The masses which have congregated in the great Pacific Northwest have totally divergent views as to what makes music as opposed to the hordes who may have settled in the great Atlantic Southeast. Consequently, the distributor and sales staff of Real Groovey Records in Jackson, Mississippi isn't too concerned with the fact that the Darken Hansome pressing of "I Can See Through You, Maybe You Ought To Get Dressed" has hit the 155-record mark in Eugene, Oregon.

In years past, those diskeries who had accumulated a grand catalogue of foreign-language recordings were wont to hypo a distributor in some strategic location by pointing out: "This onoe was practically cut just for your organization. You've got a terrific Albanian population there. Let us know how well you do on this." Within a matter of weeks, the distributor responded: "You were absolutely right. We did very well on the Albanian record. We sold all five of them!"

This tirade (and some will undoubtedly consider it such) isn't intended to mock and deride the promotional and exploitative theories of the record manufacturers who have long been established as pioneers of continuing musical trends. We assuredly admit to the necessity of recording and distributing pop, folk, country, Western, blues, jazz, kiddie, classical, light-classical, foreign series and educational records. Each serves a prime purpose of our endeavor. We contend, however, that it is possible that one area will lap up the tallow nectar like crazy, while another will treat the wax potion with something akin to enthusiastic apathy.

Witness the case of the visiting song plugger (i.e., Publisher's contact man) who recently found his tune breaking wide open in Edelstein, Illinois. This prompted a short, 14-city jaunt, all on behalf of the song. Punctuating his remarks to the local Real Groovey Records promotion men with such as: "Darken Hansome says this is his best record to date," and "It looks like this song's really gonna' happen," this plugger, who we shall designate Jacques Van Gaille, made the circuit rounds of the deejays, ops and music jobbers from early dawn until noon. His punch-line to each of the individuals was delivered in stentorian tones, intended to electrify his audience to the limit of resistance: "This record just broke the one-day sales mark of all time in Wickliffe, Ohio."

To say that the resultant chaos was—well, nothing—should be considered a masterpiece of understatement. But then, he's just a crazy, mixed-up kid! And—That's how it goes!

Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side. The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

# Record Men Call For Independent Disk Show

## Claim Conditions At NAMM Convention Unsuitable For Transaction of Business

NEW YORK — Distributors and dealers from all over the country converged upon New York's New Yorker Hotel last week for the annual NAMM convention.

It was the general consensus upon the part of the record people who participated that they were lost amid all the pianos, TV sets and other musical instruments upon which the convention concentrated. Crowded into one small section of the second floor, the record men in general felt their space was unsuitable and inefficient for the transaction of business. As a matter of fact, only a small number of companies actually displayed on the floor; most merely had suites in the hotel where they entertained and met visiting distributors and dealers.

For many years now, the record people have been talking about an independent record show, distinct from the NAMM and this year that talk was heard even more and more vehemently. First of all the time of the year of the NAMM convention, it was felt, is unsuitable. Not only were the floors unbearably warm, but the general heat of a large city right in the middle of summer makes conditions very unlikely for the transaction of business.

Second of all, the record men feel, the convention actually concentrates on the large instruments and they are lost and treated somewhat as secondary members.

This year's displays were limited almost entirely to the majors and even some of them didn't display on the floor. Also whereas several years ago there used to be a large representation of booths by the independents, this year they all transacted business in their suites rather than have any kind of showing on the floor.

Many members said that one of the first things they were going to try to achieve through the Record Industry Association of America is an independent record show.

## Likely Hits Make Bow At NAMM Meet

NEW YORK—Several independent record firms came up with disks at the NAMM convention that stood out as hits for the coming season. These potential big sellers and the general optimism expressed by almost everyone at the meeting made it likely that the coming season would be one of the best in the record business.

The records which received the most attention were:

"Eternally" and "Infatuation" by Dick Lee on the Essex label. Essex is owned by Dave Miller, the Philadelphia record whiz who was responsible for such hits as "Sin" by the Four Aces and "Here In My Heart" by Al Martino. Not only did the record make noise but Dick Lee, who appeared on a TV show while in New York caused a sensation and tied up the switchboard for two hours with fans asking for pictures of him.

"That's What A Song Can Do" and "You Intrigue Me" by Bernice Parks on the Seger label. Following up the artist's initial disk of "Walkin' My Baby Back Home", Art Seger has just issued a new one by Bernice Parks which had the distributors bidding for it. The singer, who is presently appearing at the Versailles in New York, was visited at the club by numerous distributors who were impressed by the disk.

"Forevermore" by Denny Vaughn on the MRT label. Denny sings, directs the orchestra and does the arrangement on this likely disk put out on a new label sponsored by Al Vann.

"My Song" by Johnny Ace on the Duke label. Duke has just been taken over by Peacock Records. This rhythm and blues number was causing so much commotion that Don Robey and Irv Marcus of Peacock had to fight off distributors who were demanding the record.

## Martin To Head RIAA Promotion Campaign

NEW YORK—As part of its previously announced plan to put into effect an industry-wide promotion campaign, the Record Industry Association of America, Inc., has appointed Joseph C. Martin as Director of Industry Promotion, it was announced this week by John W. Griffin, Executive Secretary of the Association.

The national, industry-wide promotion and publicity campaign will be instituted in September through the cooperative efforts of the forty-one record manufacturers who are members of the R.I.A.A. The Association's Advisory Committee previously approved the basic promotion program as outlined in a report made by the Industry Promotion Committee. Latter group consists of advertising and promotion executives of five record manufacturing companies.

Working with the Industry Promo-

tion Committee, Martin will put into effect an aggressive campaign to publicize and promote the use of phonograph records as a favored form of home entertainment as well as a cultural influence. The campaign will be concerned with all types of records, without reference to make or brand names. The first part of the campaign, estimated to involve an expenditure of about \$100,000, will be used by the R.I.A.A. Industry Promotion Committee and the Director of Industry Promotion.

Martin has been with The Billboard since May, 1949. From 1947 to 1949 Martin was director of advertising, publicity and promotion for the London Gramophone Corporation, manufacturers of London Records. He has also edited a group of consumer magazines in the music field and has been in public relations and publicity fields.

## Convention Personalities

NEW YORK — This was music men's week in New York. From every part of the country, they showed up at the convention. Seen in various huddles on the floor and in the suites were Randy Wood of Dot Records; Henry Stone of Stone Distributing in Miami; Lou Krefetz, Ahmet Ertegun and Herb Abramson of Atlantic; The Cohen Family of Essex Distributing in Newark; Herman Lubinsky and Lee Magid of Savoy; Hal Cook, Lloyd Dunn, Al Levine of Capitol; Jack Bergman of Tempo Distributing in N. Y.; Pete Doraine of Abbey; Paul Wexler, George Hayes, Elliot Horne of Columbia.

Some of the artists who attended were Patti Page and her associate, Jack Rael, Teddy Phillips, Mary Small, Bernice Parks, Sandy Solo, Danny Winchell, Tommy Edwards, Jane Froman, and Jack Lee among others.

Jerry Blaine gave a party and some of the distributors who were present were: Charles Gray Polonia of Detroit; Ben Herman of Pittsburgh; Art Freeman of Cleveland; Alan Bubis of Nashville; Jim Burt of Atlanta; Dick Strugel of New Orleans; Bob Hofsteter of St. Louis; Mel Herman of Indiana; Bob Chatton of San Francisco; The Sinsheimers of Richmond; Cecil Steen of Boston; Jimmy Martin of Chicago; and Phil Goldberg of Boston.

Also spotted on the floor were Sol Handwerker, Gordon Gray and Charlie Hassin of MGM; Dick Cowitt of Sanford Distributing, MGM distrib in N. Y.; Paul Cohen of Decca; Art Talmadge and Art Green of Mercury; Bess Berman of Apollo; The Chess boys; Don Becker of Bibletone Records; Lew Chudd of Imperial; Dorothy Dunbar of Dunbar Dist in Houston and Dallas; Johnny Halonka of Alpha, N. Y.; Jack Levenson of College Music in Boston; Eddie Heller of Rainbow Records; Larry Newton of Derby; Art Seger of Seger Records; publisher Gene Goodman; and so many, many others.

Everyone at the show was busy meeting new distributors, new manufacturers, hearing new records and getting a line up on prospects for the Fall. Those prospects, incidentally, from everything that could be gathered at the convention look excellent. There are a number of exciting new disks coming on the market which received their introduction at the convention and now that the steel strike is over the general consensus is that more money will be available for records and other luxury items.

Distributors, dealers and manufacturers went back to their places of business with a rosy outlook for the coming months.

### Ramblings

The R & B record companies spent an active week at the NAMM meet which held sway at the Hotel New Yorker in New York City. Distributors from east, north, west and south gathered on the exhibit floor, in the hotel rooms, and in local restaurants with their respective diskery high lords. Atlantic Records entertained it's agents at a meeting-dinner held at Toots Shor's plushery. In addition to filling up on Toot's highly touted foods, there was a discussion of "Expanding Ways and Means Of Extending Better Service To Ops, Retailers, Dealers and Dee jays." Don Robey and Irv Marcus enthusiastically gathered orders in their 18th floor suite. The Peacock prexy and sales manager have just taken over the Duke label and are excited over the possibilities of the Johnny Ace "My Song" which has been selling in large quantities. One of the most valuable pieces of property in the rhythm and blues field, Roscoe Gordon, became part of the Peacock stable when the gospel label took over Duke. Jerry Blaine, of Jubilee Records and Cosnat Distributors, was on the floor to gladhand visiting distribs and tout his "Once In A While" and "Heavenly Father," both Edna McGriff vocals. . . . Lou Chudd, Imperial Records, Hollywood, was in for the meet and greeting all his friends.

\* \* \*

Ben DeCosta has been appointed head A and R man for "Par Records," a new blues and rhythm label. DeCosta is seeking new talent while touring Florida with the Joan Shaw Blues Express Unit. . . . Eddie Wilcox, Derby Records orchestra leader and arranger, is going to the west coast for some picture work. . . . Lou Krefetz, Atlantic Record Company advance man, is making a tour of the midwest and will meet up with The Clovers in California. . . . Present at the NAMM show was Horace Newberry, deejay with WEDO-McKeesport, Penna. . . . Louis Jordon and his group is booked for a one-nighter tour that opens on September 29. At the present time Jordon and His Tymphany Five are scheduled to stay on the road until November 7.

\* \* \*

A Universal Attractions package consisting of the Todd Rhodes Orchestra, Wini Brown, Little Miss Sharecropper, The Swallows, and H-Bomb Ferguson will tour the deep south for seven weeks of one-nighters. . . . Joe Morris-Laurie Tate Cavalcade of Blues touring Florida for two weeks; the last week of July and first week of August. . . . Ex Band-leader and King recording artist Lucky Mil-linder is now in Miami promoting Joe Louis Whiskey. . . . ⊙ B VERY GOOD	⊙ D MEDIOCRE

## JOHNNY SELLERS

(Chance 1120)  
**B** "JOSIE JONES" (2:30) Johnny Sellers does an ok vocal job on a slow blues against a background of roaring surf stirred up by a gale. Waxing is a dramatic one and could create excitement.

**B** "ROCK ME IN THE CRADLE" (2:45) The under portion is a moderate beat bounce that Sellers sings in shouty fashion.

## SCHOOL BOY PORTER

(Chance 1117)  
**B** "FIRE DOME" (2:44) School Boy Porter and his Schoolboys drive out a fast beat jump instrumental. A wild brass section with emphasis on the sax is featured in the arrangement.

**C+** "SENTIMENTAL JOURNEY" (2:41) The lower end is a moderate tempo instrumental with the same type of arrangement. Saxing is solid.

## FREDDIE MITCHELL

(Mercury 8286)  
**B** "PERFIDIA" (2:42) Freddie Mitchell, in his first waxing for the label, latches on to the currently revived oldie and shows off a mighty talented sax.

**B+** "DELICADO" (2:39) The other side is another instrumental version of the exciting beat pop and Mitchell comes up with an excellent disk. As on the upper plate, Freddie's saxing is outstanding.

## MARIAN McPARTLAND

(Savoy 856)  
**B** "THE GYPSY IN MY SOUL" (2:51) Marian McPartland employs her talented fingers to pound out a moderate beat oldie and the result is a highly pleasurable side.

**B** "IT MIGHT AS WELL BE SPRING" (2:44) The flipside is a lovely tune of a few years ago and Marian's easy touch technique brings it back to full bloom.

## THE SONS OF CALVARY

(Score 5038)  
**C+** "FRIEND OF MINE" (3:15) The Sons Of Calvary harmonize on a moderate beat gospel tune. The lead vocal does a fine job and the harmony support is solid on the rhythmic number.

**C+** "JESUS WILL HELP ME" (2:55) The group pulls out the stops and lets go with a fast beat jubilee that makes an exciting side.

## THE CARDINALS

(Atlantic 973)  
**B+** "SHE ROCKS" (3:02) The Cardinals sock out a moderate beat rhythmic blues that "rocks". The harmonizing of the group is a spirited reading of a rollicking number that reaches out and stimulates the listener.

**B** "THE BUMP" (2:50) The lower deck is a slow rhythmic piece that the boys project in smart style. Lance Tarber handles the lead and comes through with a solid performance.

## THE CASH BOX

### ★ AWARD O' THE WEEK ★

"DADDY DADDY" (2:54)  
 "HAVE A GOOD TIME" (3:13)

RUTH BROWN  
 (Atlantic 973)

RUTH BROWN

● Ruth Brown, whose past successes have been such tremendous juke box hits and have brought her into such prominence in the rhythm and blues field, throws two

new ones onto the market that bid fair to raise the star to new heights. The upper lid, "Daddy Daddy", has Ruth singing a Calypso like beat in a torrid style that grips the listener with excitement. The moderate tempo is pulsatingly arranged and the Willis Jackson ork supplies the fem thrush with a solid musical backdrop. The under portion is ballad, "Have A Good Time", which the thrush sings in the style of her famous "So Long" and is a fitting backing for the top lid. The artist gives a stirring vocal performance and comes through with an etching that should happen. Both sides could break big.

## SOLDIER BOY HOUSTON

(Atlantic 971)  
**B** "WESTERN RIDER BLUES" Soldier Boy Houston gives a deep south blues reading to a slow rhythmic number with cute lyrics.

**B** "HUG ME BABY" (2:35) The artist employs a double voice gimmick in putting over this slow beat blues ditty. Houston supplies his own backing on both ends with some fine guitarring.

## JAMES WILLIAMSON

(Chance 1121)  
**C+** "LONESOME OLE TRAIN" (2:40) James Williamson and his trio collaborate on a moderate beat bounce effectively.

**B** "FARMERS BLUES" (3:15) The under siding is a slow low down piece dramatically dished up by the singer.

## THE CASH BOX

### Jazz 'n Blues SLEEPER OF THE WEEK

"A BIT OF BLUES" (2:53)  
 "SUNNYSIDE OF THE STREET" (2:38)

TAB SMITH  
 (United 124)

● Tab Smith, whose melodic sax work continues to win him plaudits and fans, comes up with a slow beat blues titled, "A Bit Of Blues", and runs through the piece with an exhibition of musicianship that should send his disk skyrocketing. Tab rides the scales in an uninhibited fashion as he paints the musical picture with his horn. The orchestra sets the background for the saxist with a soft presentation of

the dynamic arrangement. The flipside "Sunnyside Of The Street", is a tune that was a hit from the early talking pictures, and Tab blows his mellowest and his sweetest in giving his versions of the moderate beat item. Smith gives the lovely tune a reading full of depth as the ork provides a sincere instrumental backing for the artist. We do not hesitate to recommend this disk for the boxes.

## FOUR BLAZES

(United 125)  
**B** "RUG CUTTER" (2:50) The Four Blazes blend their voices on a fast moving happy item. The group chants the rhythmic tune against a light instrumental backing.

**C+** "NIGHT TRAIN" (2:53) The singing aggregation gives out with its individual interpretation of the slow rhythmic piece and comes up with an effective side.

## EARL BOSTIC

(King 4550)  
**B** "MOONGLOW" (2:37) Earl Bostic gets off a nifty bit of saxing as he and the ork run through a moderate tempo jump number.

**B** "AIN'T MISBEHAVIN'" (2:24) This end is a fast beat oldie that is treated to a real jivey arrangement that portrays the Bostic sax.

## LITTLE ESTHER

(Federal 12090)  
**B+** "RAMBLIN' BLUES" (2:31) Little Esther lends her stylized delivery to a fast rhythm blues and the result is top flight. Ork backing is strong.

**B** "SOMEBODY NEW" (3:06) The lower lid is a change of pace that has Esther handling a slow tempo item. Esther's piping and the lush orking make this a solid coupling.

## THE GOLDEN EAGLES

(Federal 12091)  
**C+** "MY GOD CALLED ME THIS MORNING" (2:45) The Golden Eagles chant a hallelujah style spiritual with a fast tempo.

**C+** "ANYWHERE ANYTIME" (2:18) The under portion is a slow beat inspirational number and the group gives it a shouty reading.

## SISTER ROSETTA THARPE

(Decca 28282; 9-28282)  
**C+** "THE LAST MILE OF THE WAY" (2:47) Sister Rosetta Tharpe gives an inspiring performance as she sings a slow tempo gospel tune. The Anita Kerr Singers provide a stirring backing for the artist.

**C+** "IN THE GARDEN" (2:41) The under siding is a moderate beat light bounce religious item on which Sister Tharpe and the Kerr Singers excell.

## GENE AMMONS

(Decca 28222; 9-28222)  
**B** "SOMEWHERE ALONG THE WAY" (2:38) Gene Ammons uses the current pop hit as a means for his artistic saxing. The slow beat ballad comes off in fine style.

**B** "BEEZY" (2:40) Flip is a change of pace with a wild arrangement. The saxist runs crazy as blows a hot and rhythmic rocker.

# The King Gets His Crown

CLEVELAND, O.—The Cleveland Phonograph Merchants Association feted Johnnie Ray as he ended his engagement at Loew's State.

With a dozen or so record "names" looking on, the Phono Merchants presented Johnnie with a crown and plaque calling him "the King of the Jukes—the man who did most to boost the record business in '51!"

Shown in the accompanying shot with John are (l to r) Jim Ross, Phonograph Merchants Veep; Sanford Levine, Secretary-Treasurer; and Jack Cohen, Association President.

## Automatic Phono Mfr's Support MOA Convention With Liberal Contribution

CHICAGO—The evidence of the continued good will and cooperation between the music operators of the nation and the manufacturers of automatic phonographs, the Automatic Phonograph Manufacturers' Association has contributed a liberal sum of money to assure the success of the MOA meet to be held in Chicago, September 11, 12, and 13 at the Congress Hotel. Good public relations between the two organizations have paid dividends in the way of a greater understanding between the two groups. The support received from the Automatic Phonograph Manufacturers' Association assured the success of the convention, and operators in all parts of the nation as well as members of MOA are greatly appreciative of their support.

One of the main reasons for the formation of MOA was to bring a better understanding between the manufacturers and the music operators. The success of this program has been proven by the friendly relationship of the two separate and distinct organizations, namely the Automatic Phonograph Manufacturers' Association and the Music Operators of America.

## Peacock's Duke Label Release "My Song" A Smash At NAMM

NEW YORK — One of the most active rooms at the recent NAMM Convention in New York, was the Peacock Records suite, where Don Robey and Irv Marcus were kept busy with a constant stream of visiting publishers, distributors and disk jockies.

Object of all this excitement was the Johnny Ace recording of "My Song" which Peacock took over when it purchased the Duke label. Distributors who listened to the disk placed orders that soon mounted to the staggering total of 43,000 in the first three days of the meet. In order to keep pace with sales, Peacock has three pressing plants working around the clock, and expectations are that this release will exceed the sales record of the firm's "Let's Talk About Jesus" by the Bells of Joy and "I'm Going To Play The Honkytonks" sung by Marie Adams.

Also heard by distributors, was the new Marie Adams "He's My Man" backed with "Alone" but a release date for this etching has not been set.

## Binkley Distributing Co. Opens Miami Office

MIAMI—The Binkley Distributing Company of Jacksonville, Florida, has opened a branch office at 301 S. W. 6th Street, Miami in order to better serve the greater Miami area.

Among the lines that Binkley will carry are M-G-M, London, Atlantic, Peacock, Tennessee, Apollo, Peter Pan and Caravan Records.

# Kickin' The Blues Around

with Sam Evans

The fast changing scene, with respect to vocal groups, seems to depend largely on the success of a record. The Dominoes, Federal recording artists, have a smasher clicking right thru here in "Have Mercy Baby." These boys have had any number of good ones, but this time they are moving in the upper brackets. Jukes are happy, with their tunes for it means Cash in the Box. . . . The beat of "Night Train" has this desk playing it almost nitely, but along comes another version, by a new group of composers and a different publisher than the original release and we are confused. Jimmy Forrest has the first one out, on United and published by Pam-Lee. Next we found one on RCA Victor by Buddy Morrow, that is terrific, but by another writer. . . . Cy House, King's mid-west man, is pushing a "Night Train" with lyrics by Wynonie Harris. This latter has all of the fire and bounce that we always have liked in Wynonie's work. . . . Lionel Hampton, who believes in staying away from Chi., comes within 90 miles on 8/7, for a date in Milwaukee. . . . Louis Armstrong, following a record breaking stay at The Blue Note, went out in the woods and proceeded to hang up some more smasheroos. In both Sauk City, Wis. and Spring Valley, Ill., the Satch packed the halls and had them standing outside. The moral of this story is: Go to the woods, young man, for there (apparently) is where the mazuma is. . . . For one-niters, all acts would do well to include Muskegon, Mich. This town is booked principally by Arthur Bragg, who can be contacted at The Gates Hotel, Idlewild, Mich. for the balance of the summer.

When a musician, writer and song plugger turns disc-jockey, then you have a man who has all of the background, know-how and general information to make for a first class commentator. Such is the case with one Saxie Dowell, now heard over WGN, Chi. A real smooth, soft spoken raconteur, with a pleasing amount of North Carolina twang, Saxie holds an audience with his tales drawn from actual experiences with the late Hal Kemp, with whom he played for 15 years. The writer of the big national hit tune "Three Little Fishies" and many others, is today fast winning a niche in the hearts of midwestern listeners. Plus the fact that he's a great guy even when he's not on the air. . . . Since talking about "Night Train," started remembering one turned out about 7 years ago by Duke Ellington, it's called "Happy Go Lucky Local," in two parts; bend an ear and see what you think.

Charley Ventura has pulled out of the old combo and is breaking in a new outfit at his nite club in New Jersey, prior to the road this fall. . . . Packagers looking for a probable click in concert halls this coming season, might do well to consider Ventura and a trio, in a battle of the horns, against Illinois Jacquet with his trio. Put in the middle of the show someone like Jeri Southern or another good vocalist. A deal like this should sell in all markets. . . . Lurlean Hunter, singer par excelante, marries this Sept. He's a chiropidist in Davenport, Ia. . . . "Zing A Little Zong" getting well deserved air plays across the nation. This from the offices of Paramount and Famous. . . . Bobby Wayne out from Chi. to Wildwood, N. J., hence to Kansas City and then Denver. . . . Muggsy Spanier from Moe's Main Street in Cleveland to Washington's Blue Mirror. . . . Buddy Charles into Moe's twice in three months past; and back 9/1 for 6 wks with an option. . . . Les Brown, Tiny Hill, Jan Garber and Satchmo rakin' up top grosses in one-niter biz across the land.

About three months ago this column predicted probable trouble in the casting of the forthcoming Broadway play "My Darling Aida." As believed a slow storm is brewing between producers and certain actors protective groups. . . . The Duke people, of Memphis, are doing well with their new line and have one already high on the Hot charts. Johnny Ace the singer, does "My Song" in a solid selling manner. . . . Leonard Wilson, Shapiro & Bernstein man, on the road to 18 key centers, in 90 degree temperatures, pounding the merits of "So Madly In Love." . . . Howie Richmond, New York publisher and Joe Carlton, A & Rer at Mercury, did a guest shot with Robert Q. Lewis, on a recent CBS nite. The boys kicked it around at great length and saw commercial possibilities in most of the records played. A lady guest liked nothing, in fact thought all of the records vulgar. The lady is quite a fan of the Cole Porter school.

(Sam Evans is the Jass and Blues expert heard nitely on WGN, Chicago's Mutual outlet, and on WBKB-TV.)

# THE CASH BOX FOLK and WESTERN ROUNDUP

Sheriff "Tex" Davis, who spins three hours of records each afternoon from the WLOW studios in Portsmouth, Va., reported an interesting note. Two weeks ago the Capitol distributor introduced one Faron Young, on Tex's show. Tex took unusual interest in the chap for Faron Young's Capitol records have risen to top spots on his shows during recent weeks. Later in the evening it was apparent that the fellow was not Faron Young and admitted it when questioned and left. Since this time the same fellow has turned up in Charlotte and Atlanta and is now wanted on a bad check count. Should you be visited by this fellow get in touch with WSM in Nashville immediately.

Tex Williams (RCA Victor) is starring on NBC's coast-to-coaster every Saturday night from his regular stand at Riverside Rancho in Los Angeles. Show handle is "The Treasury Hour" and is handled by vet-announcer Jimmy Wallington.

Tennessee Ernie (Capitol) and Billy Strange (Capitol) are regulars each Saturday night on Cliffie Stone's Legion Hall show in El Monte, Calif. The Colwell Bros. (Columbia) were also guests on July 26th. They are heard regularly on Cliffie Stone's Hometown shows from KXLA in Pasadena.

Gene Estes is doing a daily country record show on KWJB in Glove, Arizona, in addition to his many appearances throughout the state.

KRVN in Lexington, Nebraska, is very proud of their old cowboy friend, Dick Klast, who is making news in this area via his two daily live shows. Dick is very much in demand as m. c. of all kinds of local shows along with his regular personal appearance schedules.

The Maddox Brothers and Rose (Columbia) did a capacity show the 29th at Jamboree Hall in Lubbock, Texas, under the promotion of Dave Stone, local KSEL country record spinner. Stone also had a big day with Slim Whitman (Imperial) in the same hall on July 15th.

Bill Carlisle (Mercury's Carlisles) has taken a regular morning spot on WDOD in Chattanooga. Group's latest on Mercury is stirring up quite a bit of comment as is their recent hit, "Too Old To Cut The Mustard," which is hitting the pop field by big names.

Bobby Lee (Four Star) is doing an afternoon disc show on KGGF in Coffeyville, Kansas, tagged "Bobby Lee's Western Record Shop." This is artists first try at spinning records, however, his hour long show is creating fine comment.

Redd Harper, who played the role of "Mr. Texas" in Billy Graham's Christian Western movie, is making appearances at several summer religious camps in the New York and Pennsylvania areas.

Tommy Duncan (Intro) recently signed a long term management pact with the Reg. D. Marshall Agency and began his first tour under this banner in Oregon last week. Tommy is well known from his 16 years as vocalist with the Bob Wills group.

Eddy Arnold (RCA Victor) had as his guests last week on the Chesterfield TV'er, The Dickens Sisters, who have worked many of Eddy's personals with him. The Arnold dishing of "A Full Time Job" is setting a new style and record for the plowboy.

Clarence Kneeland keeps interest in his daily WERI, Westerly, R. I., country shows with gimmicks as fast as he can think of them. His latest is saving a segment for "spelling bee songs." Idea was presented by recent M-G-M discing of S-W-E-E-T-H-E-A-R-T by new name, Bill Nolan. Listeners are suggesting the tunes used and Clarence says he never thought there were so many records of this kind.

Ray (My Monicker is Honaker) Honaker opened his own shows at WOKE in Oak Ridge, Tenn., after subbing a week for Art Barrett of WSAP in Portsmouth, Va. Ray had been staff man at WSAP until accepting the WOKE role recently.

Jack Davis of WROM in Rockmart, Georgia, writes that Martha Carson (Capitol), Faron Young (Capitol) and Boots and Idaho (Capitol) are three of his top artists at this time. Looks as if both Capitol and new name artists are doing fine in the Georgia markets.

A new station to change to heavy country programming is KFRD in Rosenberg, Texas according to Advertising Mgr. Audrey Lewis.

## BULLSEYE of the WEEK

"TRYING"

"SWEET JENNIE LEE"

GRADY MARTIN AND HIS SLEW FOOT FIVE

(Decca 28322; 9-28322)

● Grady Martin digs into a newly released pop ditty that looks like it has the makings and gives it a western treatment that should shoot it right to the top of the country top tunes. Titled, "Trying," the upper lid is a moderate tempo item that gets a rhythmic reading by Grady Martin and His Slew Foot Five. Handling the vocal is the duet of Dotty Dillard and Jack

Shook, and the team pair up in sock style as they put over the romantic lyrics in a fetching manner. The pretty tune, the musical aggregation, and the vocalizing duo add up to a special dishing that we think will make lots of noise. The lower lid is an instrumental fox trot oldie, done by the group with a dash of honky tonk. We like the top deck and urge ops to get with it.

### GENE AUTRY

(Columbia 39808; 4-39808)

**B** "GOD'S LITTLE CANDIES" (2:28) Gene Autry, assisted on the vocal end by the Cass County Boys, and on the instrumental by Carl Cotner's Orchestra, warbles a slow ballad with warmth.

**B** "DON'T BELIEVE A WORD THEY SAY" (2:47) The popular movie and teevee star is assisted on this side by petite voiced Phyllis Lynne. The pair sings the slow pleasant piece smoothly for a pleasurable dishing.

### REX ALLEN

(Decca 29341; 9-29341)

**B+** "TWO FACED CLOCK" (2:31) A sprightly novelty ditty with a modern tempo is delivered in a contagious fashion by the smooth voiced Rex Allen. The lilting number is delightfully done by the western artist and the ork backing.

**B** "JAMBALAYA" (2:37) The under portion is Allen's version of the fast rising Cajun French tune with an exciting beat. Allen has a good side here and could share the honors if the song catches on.

### DEWEY RITTER

Coral 64136; 9-64136

**C+** "I'M LEAVIN' TOWN" (2:50) Dewey Ritter sings a slow mellow country sentimental weeper with feeling. The artist is backed by strings.

**C+** "SOLD DOWN THE RIVER" (2:53) The flipside is a western lament of moderate tempo with the warbler handling the ballad easily.

### SONNY JAMES

(Capitol 2164; F-2164)

**B** "SHORTCUT" (2:17) A fast tempo with sentimental lyrics is treated to the inviting vocalizing of Sonny James. The tune is bouncy and full of life.

**B** "IT'S SO NICE TO MAKE UP" (2:26) James sings a slow sentimental ballad softly and the musical backing is also presented with a softness to uphold the mood of the number.

### EDDIE ZACK

(Decca 28329; 9-28329)

**C+** "LIGHTS OUT" (2:42) Eddie Zack and his Dude Ranchers wax a romantic ballad in easy fashion to back the solid vocalizing of Cousin Richie.

**B** "DRAGGIN' THE BOW" (2:30) Zack and the group, with Babs and Maril on the vocal punch out a cute number with emphasis on the fiddle as indicated by the title.

### HANK PENNEY

(King 1090; 45-1090)

**B** "DON'T YOU KNOW IT'S WRONG" (2:38) Hank Penney sings a fast beat sentimental item in moving style. Backed with a chorus chanting and strings, the rhythmic number is put over strongly.

**B** "BACK UP A LITTLE BIT" (2:41) Flipside is another fast tempo that Penney presents with a cute delivery.

### YORK BROTHERS

(King 1092; 45-1092)

**B** "TWO SIDES TO EVERY STORY" (2:39) The York Brothers chant a latin beat romantic lament fetchingly. The singers are backed with strings.

**C+** "TWIRLY WHIRLY" (2:23) The under portion is a quick tempo rhythmic piece with novelty lyrics that the boys give a strong reading.

### ANN JONES

(King 1094; 45-1094)

**C+** "OUT OF SIGHT, OUT OF MIND" (2:21) Ann Jones pipes a moderate beat country romantic ditty solidly.

**C+** "SMART ALECK" (2:17) The chirp sings a light moderate bounce with humorous lyrics in fetching fashion.

## Scranton, Pa., Site of Capitol's Plant, Celebrates Firm's Tenth Year

GLENN E. WALLICHS

SCRANTON, PENNA.—By proclamation of Mayor William Hanlon, the entire population of Scranton turned out last Friday, August 1st, to salute Capitol Records on its tenth anniversary.

The Capitol Records manufacturing plant located in Scranton is the largest of its kind employing anywhere from five to seven hundred people out of the total of 1300 who are on the Capitol payroll. In addition, this plant services 75% of the country and enjoys the slogan, "from Hollywood to Scranton to the world."

The day's festivities began when President, Glenn E. Wallich, lead the Hollywood and New York troupe into The Electric City. This contingency was met at the Scranton Railroad Depot by Ted Rodgers, President of the Scranton Chamber Of Commerce and Mayor Hanlon, who headed the reception committee. From there, they were whisked away by police escorts under the supervision of William M. Lonsdorf, Director of Public Safety, to a luncheon sponsored by the Scranton Chamber of Commerce.

Approximately 200 persons attended this luncheon at which time, Glenn Wallich was awarded the key to the city by the Mayor and was also presented with a Certificate Of Achievement Award by the Chamber of Commerce.

A Show put on by Capitol recording artists Mel Blanc and Yogi Yorgesson proved to be the highlight of the luncheon.

Following the luncheon the entire Capitol group plus city dignitaries participated in the plant ceremonies

which included an open house for the general public.

At 5:00 P.M. a reception was held at the Scranton Club honoring Capitol's 10-year employees which numbered 106. This was followed by a banquet at 7:00 P.M. at the Scranton Club where 10-year pins were awarded by Glenn Wallich to this select group of 106 employees. Here again, Mel Blanc and Yogi Yorgesson proved why they are two of the nation's top entertainers.

All radio stations in Scranton and Wilkes-Barre contributed to this All-Capitol Day by spinning only Capitol records for 24 hours.

The Delaware Lackawanna Railroad put on a special car to transport the New York executives to Scranton and returned them to The Gotham City on Saturday afternoon.

The following participated in the Scranton celebration: Glen Wallich, William Fowler, Lloyd Dunn, Daniel Bonbright, Alan Livingston, John Griffin, Alex Porges, Hal Cook, Gene Becker, Al Levine, Mel Blanc and Yogi Yorgesson.

### Pictures Switched!

In the King ad on page 12 of the August 2 edition of *The Cash Box*, the pictures of Billy Keith and Royce Goodrich were inadvertently switched. Billy has created a great deal of excitement with his version of "High Noon" while Royce is due out with two new releases, "The Big Sky" backed by "The Show Is Over" and "Jungle Drums" backed by "To You".

# Automatic Phonograph Manufacturers' Assn. Makes Liberal Contribution To MOA In Support Of Sept. 11-13 Convention

## MOA Officials Expect Largest Turnout Of Operators And Many More Exhibitors

GEORGE A. MILLER

OAKLAND, CALIF. — George A. Miller, president of MOA (Music Operators of America, Inc.), reports that great progress is being made in preparation for its forthcoming Convention to be held at the Congress Hotel, Chicago, September 11, 12 and 13.

Miller states that it is expected that more operators will attend the MOA Convention than at any other time, and that more exhibitors will display their wares than at any time in the past.

However, of great significance to the success of the meet is the fact that automatic phonograph manufacturers association has given its cooperation.

"To evidence the continued good will and cooperation between the music operators of the nation and the manufacturers of automatic phonographs, the Automatic Phonograph Manufacturers' Association has contributed a liberal sum of money to assure the success of the MOA meeting" stated Miller. "Good public relations between the two organizations have paid dividends in the way of greater understanding between the two groups. The support received from the Automatic Phonograph Manufacturers' Association assures the success of the convention, and the operators in all parts of the nation as well as members of MOA are greatly appreciative of their support.

"The manufacturers have played an outstanding role toward the defeat of national legislation that is detrimental to the automatic music industry. They have assured the officers of MOA that they will fight side by side with the

music operators against any unfair taxation or royalties, whether it be in the form of copyright laws or otherwise.

"MOA was formed for three specific purposes, one of them being to bring a better understanding between the manufacturers and the music operators. The success of this program has been proven by the friendly relationship of the two separate and distinct organizations, namely the Automatic Phonograph Manufacturers' Association and the Music Operators of America."

Ray Cunliffe and Phil Levin, in Chicago, are working overtime on arrangements and exhibits. Other committee members, Hirsh de LaViez, Dick Schneider, Al Denver, Jack Mulligan, Ben Ginsberg, Clem Stetson, Harry Snodgrass, Morris Goldman, Jack Cohen, Leon Montooth, Dick Steinberg, Tom Withrow, Mike Imig, and others are working toward large delegations from their particular states and have assured the exhibitors that operators will be in attendance in large numbers from their particular organizations.

Miller, the general chairman, reports that he is making complete arrangements for the three-day meetings, and outstanding speakers on industry, public relations, and legislation will be in attendance. "Two prominent congressmen will speak to the group, executives from the manufacturers and record companies will take part in the meetings, and the business sessions will be carried on in such a manner that every operator in attendance will gain a better knowledge of the automatic phonograph business" said Miller.

"The value of a nation-wide public relations program will be reported by an outstanding public relations firm, nationally known by the motion picture industry, the recording industry, and others. No operator can afford to miss this convention if he is sincerely interested in bettering the conditions and in elevating the automatic phonograph business."

Sidney Levine, who so ably represented the Music Operators of America during the hearings in Washington, D. C. last February on the Bryson Bill, will be prepared to make a report on what is to be expected in the future regarding copyright legislation.

There will be luncheon meetings and special entertainment for all during the time that the convention is in session.

## Demand Booms Exhibit's Production Of New Game

FRANK MENCURI

CHICAGO — "As of this Monday morning (July 28)", stated Frank Mencuri, general sales manager of Exhibit Supply, "I can state, without any qualification whatsoever, that we have an outstanding hit game in our new 'Super Twin Rotation'."

Mencuri furthered this statement with a roll-call of orders which the firm received this one Monday morning alone. These read like a panoramic coverage of the nation.

Distributors from almost every part of the country wired, wrote and phoned the factory advising:

"We must have more shipped to us immediately."

Out on the West Coast, Lyn Brown of Lyn Brown Company, is reported to have been on the telephone each and every day asking for more and still more of the "Super Twin Rotation" games to be shipped to him.

This is only one of many, many of the firm's distributors who have been anxiously phoning, wiring, and writing directly to Frank Mencuri for more, and still more, of the "Super Twin Rotation" games.

In fact, because of the hit which this new game has created, the factory has been forced to boom its production.

"There is no longer any doubt", Mencuri said this past week, "that we are going to be backlogged on orders to everyone of our distributors.

"We tried", he reported, "to anticipate the demand far in advance and", he stated, "even before we started our all out campaign, we built up a large number of the 'Super Twin Rotation' games to be prepared for any eventuality.

"It seems now", he continued "that we misjudged the demand and also",

he says, "misjudged the sales ability of the average operator to convince his locations everywhere in the country that here, in 'Super Twin Rotation', was the greatest advance in coin operated amusement games.

"What's more", Frank said, "most of these operators are giving only twenty and, at the most, twenty-five per cent commission to locations.

"The location owners", he advises, "are more than happy with this lower commission percentage in view of the great game that they can present to their customers in 'Super Twin Rotation'.

"We only hope", he concluded, "that the backlog won't run away from us and that we shall, by tremendously stepped-up production, be able to meet the demand with which we are now faced."

## ChiCoin Presents New Novel Bowling Game

CHICAGO—Samuel Wolberg and Samuel Gensburg of Chicago Coin Machine Company, this city, announced the introduction of its new bowling game, "10th Frame Bowler," this past week.

Wolberg reports, "This new game presents the first real innovation in actual bowling game play since the introduction of the rebound type bowling game."

Gensburg added, "Just as in real bowling, if the player makes a strike he is entitled to an additional shot. It is possible for the player to score as much as 90 points in the tenth frame.

"If the player has a spare in the tenth frame," Gensburg continued, "he is entitled to one additional shot.

"This new feature," he said, "is a giant step forward in competitive play. It permits the player, who is not as skillful as his opponent, to come out a winner in the last, the tenth, frame.

"This new and novel twist to the bowling games has been greeted with enthusiasm on location after location. Operators report that their earnings have zoomed upwards," he concluded.

Other executives at ChiCoin had this to say: "The '10th Frame Bowler' retains all of the play features which have become so popular in other Chicago Coin bowling games. Drum-type scoring. Rebound action. Fly-Away pins. Formica play field. High score of the week."

In the back-glass, a special section is devoted to the tenth frame.

# Williams Mfg. Co. Introduces New 3-Card 5-Ball Game

SAM STERN

CHICAGO — Sam Stern, executive vice president and general manager, Williams Manufacturing Company, this city, announced the introduction of "Long Beach," a 3-card, 5-ball game with a new "Double Score" game-to-game feature that generates repeat play.

"Our new game 'Long Beach' makes its bow at a time when operators are considering purchasing new equipment for Fall and Winter Operations" stated Stern.

"The outstanding 'Double' feature of 'Long Beach' carries over from game to game until scored, an exclusive idea with Williams' 'Long Beach'" explained Stern, in describing the game. "Besides, the return ball pocket when lit advances the arrow across the backglass to double the score which remains lit from game to game until score is made in each section. The 'extra ball' feature in 'Long Beach' enables the player to buy up to 3 additional balls with extra coins."

"Long Beach" is deluxe in every detail, and has a beautifully illuminated playfield with plenty of live action.

The game is now being viewed at distributors' showrooms in every section of the country, according to Stern, who states that initial interest in 'Long Beach' is indicative of ready acceptance.

# ROBOTS PITCH FOR COIN MACHINE BIZ

## New Mfrs Strike Out For Success As Demand Grows For Robot Baseball Pitchers. News Of How Well In- stallations Have Clicked Spreads Fast Outdoor Locations Required

CHICAGO — Most surprising, and sensational, development thruout the industry, is the sudden demand for the automatic robot baseball pitching machines.

Manufacturers of these machines are beginning to pop up everywhere in the country.

This is attributed to the fact that what is mostly required is a foundry and a few skilled mechanics to assemble the machines.

Around Chicago there are new robot pitching spots popping up almost every day.

Three well known, and already much visited and investigated spots, are located at: River Road north of North Ave., Marine Drive at Wilson Ave., and on Lincoln Ave. near Devon.

Each of these three have seven machines in operation. They are reported to be doing a phenomenal business.

The play is 10 balls for 25c. After the insertion of the quarter, it takes about ten seconds for the first ball to be pitched by the machine. Then, every six seconds thereafter, another ball is pitched.

According to experts this means that the gross can be as high as \$10.50 per hour per machine while play is at its peak.

There are, at present, two different types of robot pitching machines. One uses compressed air. The other is mechanical.

A complete setup, and there are many different types depending upon the size of the location which, by the way, must be an outdoor location, usually has anywhere from five to ten robot pitchers, plus in some cases, bleachers for those who want to watch, fences and all the other paraphernalia that goes with the installation.

The average spot will cost anywhere from \$10,000 to \$15,000 to complete. The robot pitchers, themselves, sell for about \$1,000 each.

Already many operators are dashing about seeking to lease outdoor locations where traffic is heavy to get into this robot pitching business.

The belief is that such territories as Florida and California and some of the southern and southwestern states where play goes on year 'round will prove the most profitable.

In fact, some operators here are planning installations in the Miami and Miami Beach areas. Others are thinking of Tucson and Phoenix, Arizona. A few believe that southern California would prove best. In fact, there are some who feel that the resort area of Biloxi, Miss. may be the most profitable.

It seems that, if one thing sure, operators who were never seen in certain areas may pop up with robot pitching installations and that, perhaps, there will be some wholesale moving about in the industry.

There was a time when coinmen would visit this "playground of the world" only during the winter. Now that it's been discovered that Miami Beach is one of the world's greatest summer resorts, we're playing host to loads of people from our industry thruout the year . . . Dave Stern and his missus, Elizabeth, N. J., staying at the Sea Gull Hotel, now playing around with the idea of buying a small home here . . . New Jersey was particularly represented when Harry Pearl finally arrived. Together with Dave Stern, Pearl, and Sammy Wischansky, some mighty tough "gin" games were in progress. As a matter of fact, it's reported that Wischansky tried to teach Willie (Little Napoleon) Blatt (now a dyed-in-the-wool native) the game, but soon discovered the pupil was teaching the teacher . . . Not only the men folk, but the ladies got together for some "gin." It was most interesting to watch the battle among Mrs. Stern, Mrs. Wischansky, Mrs. Pearl and Mrs. Blatt . . . Vacationing at the same time were Max Hurvitch of Birmingham, Ala., and his pretty daughter. Max was keenly surprised when he ran into Mr. and Mrs. Arnold Feldman of Atlanta, Ga. Mrs. Feldman, nee Natalie Hankin, is the daughter of the late Morris Hankin.

After its general meeting on July 31, AMOA will not meet again until late September or October . . . Joe Mangone returns from a fast trip to Chicago. On the way home, he stopped off at Detroit, and picked up a Caddie . . . Milty Green and his wife, arrived from New York, and expect to take a lengthy vacation. Mitty's promised to relax for a whole week, without thinking of business . . . Harry Siskind, his wife, and beautiful blonde daughter, altho staying at the Nautilus Hotel, discovered the crowd of coinmen right next door, at the Shore Club, and Harry spent most of his daylight relaxing hours there. Report was that the gathering at this hotel daily looked like a miniature convention . . . As is usually the case, Willie Blatt and his wife, Syd, living here, will seek relaxation elsewhere. The Blatt's leave for an extended vacation up north.

## Capitol Projectors Makes Rocket Ship Ride

NEW YORK — Sam Goldsmith, Capitol Projectors, Inc., this city, announced this week, that the firm is now manufacturing coin-operated rocket ride machine. The firm, who has been manufacturing "Midget Movies" for a number of years, will continue with this successful item as well as going into production on its rocket ride.

Goldsmith returned this week from a trip to Kansas City, Mo., where he completed a deal with the Missouri Midget Movies Company, to handle the Capitol machines for the States of Kansas and Missouri. Heads of the Missouri Midget Movies Company are well known coinmen, Irv Weiler, Carl Hoelzel and J. R. "Pete" Pieters.

The Kansas City firm has completed arrangements to install the first deliveries of the rocket ship in Macy's Kansas City store, the Katz Drug chain, and the Milgram Food chain.

Goldsmith informed the Cash Box that a name for the ride will be announced next week.

**New Mfg. Firm Presents Baseball Pitching Machine**

CHICAGO—Harry Katz and Frank Roelke of Coin-O Manufacturing Company, Inc., 3435 N. Sheffield Ave., this city, presented their new automatic baseball pitching machine to the trade this past week.

The firm calls the machine, "Pitch-O-Mat".

Both Katz and Roelke claim, "It's the finest machine made, because it's trouble-free.

"The reason we can say that", they continued, "is because we have precision engineered 'Pitch-O-Mat' and know that it'll stand up".

Both Katz and Roelke also stated: "Quantity deliveries of 'Pitch-O-Mat' will start on September 15 and will continue from then on."

The men have arranged for a free service whereby they will help the operator to make a correct and proper installation of the "Pitch-O-Mat" machines he purchases.

They also arrange for bleachers wherever possible, they report, and when they are finished with the plans, laying out the proper way to get the most attention to the outdoor installation, they claim:

"The operator simply must earn real profits."

Both men are well versed in coin operated machines and have been in the coinbiz for many years.

"We know what the operators want and need", they say.

They are urging operators to get in touch with them immediately.

These operators must have outdoor locations to get started correctly with a complete set-up of "Pitch-O-Mat" machines.

## Wico Presents Automatic Baseball Pitching Machine

CHICAGO—Harry Wiczer, President of Wico Corporation, noted suppliers to the trade, this city, advised this past week that the firm is building an "Automatic Baseball Pitching Machine".

He also stated, "Tests have indicated that we have one of the finest of all automatic units that has been seen in the industry."

Enthusiastically he said, "Any operator who has, or can obtain, an outdoor location, is faced with an opportunity to earn bigger, better and steadier profits than he has ever before earned because of our 'Automatic Baseball Pitching Machine' which", he claims, "is similar to the ones used in the Major Leagues for helping batters to better their batting eyes."

Harry Wiczer commented, "Any operator who desires to enter into this fascinating business is assured of complete plans, full and final arrangements made up for him, and at no charge to him, as well as information as to how many of our 'Automatic Baseball Pitching Machines' he will require."

"This", he stated, "is a service we are offering to one and all who want to enter into this tremendously profitable business."

## Wurlitzer Reports Profit For 1st Q'tr

CHICAGO—In a financial statement issued this week, R. C. Roling, president of The Rudolph Wurlitzer Company, reported that consolidated operations for the first quarter (April, May and June) resulted in a net profit, including the profit resulting from the sale of real estate, of \$242,631, or 29c per share, after all reserves and taxes, as compared with a profit of \$166,793, or 20c per share, for the same period a year ago.

Sales for the first quarter were \$6,886,773 as compared with \$5,413,367 for the same period last year.

"The production of pianos, accordions, electronic organs and coin-operated phonographs continues on a reduced basis" stated Roling, "because of government limitation orders. The steel strike has affected production schedules of civilian and defense products. Present indications are that we will be able to sell all the civilian products we are permitted to make during the balance of the year."

Roling also reported that production of defense items is gradually increasing. Unfilled orders for these items at the end of June was approximately \$16,000,000. The Wurlitzer firm is now in the process of negotiating a contract for additional defense work amounting to approximately \$9,000,000. Should the contract be awarded them, their unfilled orders for defense items would total approximately \$25,000,000.

JULES PERES

NEW ORLEANS, LA. — (Editor's Note:—in view of the fact that detailed information was received too late for our last week's issue we are, at this time, and in all deference to the family of Jules Peres, publishing the events which led to his passing.)

Jules Peres died on July 18, 1952 at approximately 4:45 A.M. of a heart attack.

It seems that Jules and his family were out having a late dinner and returned home about 11 P.M. of July 17. They retired shortly thereafter.

At about 4 A.M., Jules complained of a chest ailment. An attempt to obtain a doctor at that hour proved fruitless. At 4:45 A.M. he passed away.

He is survived by his wife and daughter.

He was buried in Metairie Cemetery with Masonic Rites and in a Masonic Tomb.

Jules Peres was a member of the Y.M.B.C., a Mason, Secretary-Treasurer of the New Orleans Coin Machine Assn., as well as a member of the Small Men's Business Assn., and other organizations.

He was engaged in the coin machine business for the past 22 years. It is understood here that Mrs. Peres will continue to handle the business herself.

He was, and will always be, regarded by one and all engaged in the field, as one of the few men with exceptional perception of tomorrow and was, and will always be remembered, for his great hospitality, his sincerity and his gentlemanliness.

## Michigan Music Ops Assn. Donates Juke Boxes To The Percy Jones Army Hospital

DETROIT, MICH. — Morris A. Goldman, president, Wm. J. Patterson, member of the board of directors, and Irving B. Ackerman, attorney for the Michigan Phonograph Owners' Association, this past July 17 traveled to the Percy Jones Army Hospital and received the acclamation of the patients and officers there for the donation of eight juke boxes to this hospital by the organization.

In keeping with the charitable efforts of this group who have, for many years now, made it its business to help in the attempt to curb juvenile delinquency, help all charitable organizations, bring musical therapy to those of the armed forces returned for hospitalization in this area, the Michigan Phonograph Owners' Association went out of its way to bring happiness to all the patients at the Percy Jones Army Hospital, with this donation of eight juke boxes, and in addition, over 2,500 records.

Major Thomas O. Weir accepted the donation formally from the men who traveled to the Percy Jones Army Hospital.

Not only did the Major acclaim the juke box owners of Michigan for their grand work in behalf of the hospitalized service men, but, he also pointed out that this was one of the few items which assured the executives of the hospital the perfect kind of therapy which brings about greater calmness and more certain recovery.

Levin stated, "These appointments came about after a long study of these territories.

**THRU THE COIN CHUTE**  
**EASTERN FLASHES**

A number of out-of-town coinmen were visiting our town this week, taking in the Convention of the NAMM (National Association of Music Merchants). Many firms in our business conduct retail record shops, as well as acting as distributors for record manufacturers, and this convention covers this phase. Most of the men took the opportunity to drop over to coinrow to say hello to their many friends.

The body of Al Bergman's son Bobby, who was killed in action on the Korean battlefield, didn't arrive in Buffalo, N. Y. as was promised, Monday, July 28 (story in August 2 issue). Latest word, as we go to press is that the airlines will bring it home on either Saturday or Sunday, August 2 or 3. It is Al's intention to conduct burial services one day after the body arrives. Once again, we note the address of the funeral home, as many of Al's friends will wish to either attend or send condolences: **Etkins Funeral Home, 576 Linwood Ave., Buffalo, N. Y.** . . . Sam Goldsmith, Capitol Projectors, back in the city after arranging quite a deal with the Missouri Midget Movies Co. of Kansas City, Mo. Irv Weiler, Carl Hoelzel, and J. R. "Pete" Pieters, principles of this firm, will handle the "Midget Movies" and the Capitol rocket ship ride for the states of Missouri and Kansas. . . . The Rudolph Wurlitzer Co. will hold a service school refresher course of Eastern Distributors at the offices of **Joe Young's Young Distributing Co.** on August 7, 8 and 9. It is expected that **Joe Hrdlicka** and **Hy Turner** of the factory will be hand to conduct the school, and it's possible genial **Ed Wurgler**, general sales manager of Wurlitzer, may be here at the same time. . . . Our good friend, **Gail Carter**, vice president and general sales manager of **Permo, Inc.**, attending the NAMM Convention here—and what a job he's doing!

Dave Stern's beautiful 17 year old daughter, **Suzzane (Honey)**, created quite a stir in the dramatic field, when she took over the lead in the **Ocean City Playhouse, N. J.**, production of "Arsenic And Old Lace" with only about 18 hours notice. The leading lady became ill, and Honey learned about 50 pages of lines within this short time. More exciting was the rave notices given her performance by the critics. On hand to cheer Honey on to success were **Mr. and Mrs. Dave Stern** and **Mr. and Mrs. Barney (Shugy) Sugerman.** . . . **Tommy Greco, Greco Bros., Glasgow, N. Y.**, in town buying some equipment. Everyone eyeing the **Kaiser Traveler** he had with him. Loaded a music machine into it without the slightest effort. . . . **Jack Mitnick**, regional representative for **AMI**, back from his northern trip. He took in the NAMM show—"anything that is closely allied with the music machine industry is of interest to me" states **Jack.** . . . **Harry Koepfel, Koepfel Distributing Co.**, sends his teen-age daughter, **Gilda**, to **San Jose, Calif.** for a few weeks. She will stay at **Ben Koepfel's** home. Old-time ops will remember **Ben** as one of its pioneer pin game operators in **New York City.** . . . **Mike Munves** reports our prediction made in last week's column has come about. He now has more orders for Exhibit's "Super Twin Rotation" than he's had deliveries, and is hoping the factory can send them along in good quantity. Is this the reason **Mike** and the **Missus** are undecided about that **Miami Beach** vacation at this time? . . . **Nat Cohn, Conat Sales Corp.**, introduces his "Atomic Jet" space ship coin-operated ride, with simultaneous showings at various distributors around the country. "We've got the most tremendous money-maker ever brought out in the coin machine industry" stated **Nat.** "Location tests have proven the ride stands up mechanically, and the collections were absolutely amazing." . . . **Al Simon, Albert Simon, Inc.**, one of the busiest wholesalers on the row. In addition to the **ChiCoin** line of games in "hot" demand, **Al** reports that reaction of his mechanical horse, "Gallop'n' Beauty" has been exceptionally fine. . . . **Dave Lowy, Dave Lowy & Co.**, out of town on biz, while **Bob Jacobs** and **Whitey Druckman** hold down the home fort. . . . **Willie Aronson** and **Al Gilbert, United Play Machines, Inc.**, being kept busy with their used games biz. "Slowly, but surely, we're progressing" smiles **Willie.**

**THRU THE COIN CHUTE**  
**DALLAS DOINGS**

The summer heat has reached its annual peak in Texas. The mercury is soaring around the hundred degree mark every day and everyone is saying—"If this is what it is like in July, what can we expect in August?" But despite the heat, business is holding up. In fact some operators and distributors report that business is getting better all the time. . . . The folks over at **Commercial Music Company** received a new game this week—the **United "6-Player Star Shuffle Alley."** The place was full of operators looking over and buying the new game. . . . **George Bury** of **Hamlin** was in **Dallas** this week buying new phonographs for his route. . . . **J. T. Van Meter** of **Dallas** is concentrating his buying on games. . . . We hear that **Ralph Claybrook** of **Fort Worth** is expanding his route. . . . Ditto for **I. D. Hightower** of **Fort Worth.** . . . **Jim Powers** of **Grand Prairie** says that business is good for him. . . . **Henry Adams** of **Killeen** is buying shuffle alleys. . . . Also in town this week were **J. A. Bigby** of **Italy** and **Jimmy Bounds** of **Mexico.**

**Bob De Priest** of **Dallas** is on a vacation. He is sightseeing through **Florida, Virginia** and **Tennessee.** . . . **Tommy Chatten**, his fishing partner, says that he will have to wait until **Bob** gets home to do any serious fishing. . . . **George Green** of **Odessa** reports that business is good out west. . . . **Tom Lambert** of **Dallas** is buying new phonos. . . . **W. B. Walton** of **Mineral Wells** is expanding his route. . . . **Drew Osborn** of **Fort Worth** has just returned from a fishing trip in **Mexico.** He says that he caught some 200 bass. . . . **Mrs. Audrey Hunter** over at **State Music Distributors, Inc.**, says that **Abe Susman** is still vacationing in **Florida.** In the meantime she is concentrating on getting in enough **AMI's** to satisfy the demand.

# THRU THE COIN CHUTE CHICAGO CHATTER

Most surprising development in the Chicagoland area is the sudden demand for automatic baseball pitching machines. Profit reports are absolutely fabulous. Some have already termed this business: "The biggest thing since 'Tom Thumb Golf' and," they also claim, "it's many, many times more profitable, better and bigger than miniature golf ever was." Already those who own ground in busy traffic areas are asking for 33 1/3% of the gross intake instead of leasing or selling the lots. . . . Two new manufacturers jumped up here overnight. Wico Corp. is building what it calls: "Wico's 'Major Leaguer' Automatic Baseball Pitching Machine." Harry Wiczer of Wico reports that they have more orders on hand than they can take care of right now. . . . Another new manufacturer is Coin-O Mfg. Co., Inc., composed of Frank Roelke and Harry Katz, two guys who really know their way about in the coinbiz. They're building what they call: "Pitch-O-Mat." (For the complete story of what it's all about read the special article in this issue.)

It's What's In "The Cash Box" That Counts

Harry Wiczer is building one of the "Major Leaguers" into a Penny Arcade here in town where the owners have decided to pull out their shooting galley and replace with Wico's "Major Leaguer," automatic baseball pitching machine. . . . Three big spots here are at: River Rd. just off North Ave.; Marine Drive at Wilson Ave.; Lincoln Ave. at Devon. And more spots going up. . . . Little automatic baseball pitching joint (with only 3 units) down in Greenwood, Ind. (10 miles south of Indianapolis) reports (via press publicity) that they are bringing Cleveland's slugger, Luke Ester, down there for one day to demonstrate how hard (or how soft) he can hit that automatically pitched ball. . . . Remember 10 baseballs are pitched at the batter for 25c. First ball zips out in 10 seconds after coin is inserted. Each of 9 balls thereafter at intervals of 6 seconds each. In short, 25c in 64 seconds. Average of \$10.50 per hour already reported. . . . Sam Stern of Williams all hepped up over location test reports on the firm's new bingo-style game, "Long Beach." Reports indicate this a clickeroo. "And priced low," Sam reports.

It's What's In "The Cash Box" That Counts

Thanks, most sincerely, to Harry Jacobs, Jr., Milwaukee, who writes: "Your Tenth Anniversary Issue is the greatest magazine we've seen in any industry and, especially, in our field, in all our 17 years in this business." . . . Les Rieck of H. C. Evans & Co. (and this should make many of the Evans' distributors very happy) advises that they will be out "soon" with the Evans' 'Century' (100 selet phono). . . . Prior to flying to the West Coast, Frank Mencuri, general sales manager of Exhibit Supply, advised: "This is an avalanche. The orders we are getting for 'Super Twin Rotation' have gone far, far ahead of our balmiest expectations." . . . Music Ops. Assn. in Detroit very proud of the donation they made to Percy Jones Army Hospital—8 juke boxes for this one spot. Morris Goldman, Irv Ackermann, and others, present at this big affair. . . . Just in case you want something historical: August 6, 1945, was when the very first atomic bomb was dropped. (Remember where?) . . . And, on August 7, 1942, the Marines landed on the Solomons. A bloody landing.

It's What's In "The Cash Box" That Counts

John Bruun of Rock-Ola advising us that the firm may have something "really big" to talk about verra verra soon. . . . Nice postcard came in from Dom Pigati of Highland Pk. from Hotel President, N. Y. C. And who should drop into our office as we nostalgically looked at the card? You guessed it—Dom Pigati, himself. . . . Roy Monroe (Monroe C. M. Exch.) excitedly phones us from Cleveland: "We've got the biggest smash-price sale on all types of machines in our history under way right this minute." . . . Bill Bye, Kansas City, Kans., regional rep for Electro ciggy vendors, pops into our office to tell us that more, more, and still more, games and music ops are entering ciggy and vend field. (Just like we didn't know, Bill. Read our editorials about this in our July 26 and Aug. 2 issues.) . . . Happy Birthday This Tuesday (August 5) To: Art Weinand, Chicago; Dave Stern, Elizabeth, N. J.; Irwin Weiler, Kansas City, Mo.; and Mac Mohr (the bowling alley tycoon), Los Angeles. . . . An orchid to Morris Gisser of Cleveland who advised that the best way to do business was the right way! And went out and demonstrated that it could be done the best way the right way.

It's What's In "The Cash Box" That Counts

Some friends from down Texasway asked us to tell the industry: That "Doc" Mason of Corpus Christi, Texas, is expecting to become a "Daddy" any second now. . . . That Morris Liedecker and Morris, Jr., now very, very busy in real estate, but, not neglecting their coinbiz at Corpus Christi Novelty Co. . . . That Gene Bybee of Pan American, San Antonio, though very ill, now well on the way to recovery. . . . That Jimmy Johnson, formerly of Western Chicago, doing rather terrific in his Playland Park, San Antonio, and now hearing from dozens of guys who want to "get in the act" in the 'Boys Town' he created. (Whether you know it or not, Jimmy still has a big plant here in Chi going great guns and bringing him plenty moolah.) . . . That Ken Wilkinson and his son (San Antonia) are verra big in TV. Call it "Texavision."

It's What's In "The Cash Box" That Counts

That George Wrenn and Fred Barber have become expert horsemen with Bally's 'Champion.' . . . Which reminds us. Girls down in Texas still talkin' about those ten gallon hats and the speedy ride that Jack Nelson, general sales manger of Bally Mfg. Co., and Phil Weinberg, Bally's Texas regional rep., went on to cover this state.

It's What's In "The Cash Box" That Counts

Hear that Bernie Reichel of El Paso, Tex., able to take that Rio Grande humid heat since his vacation up Wisconsinway. . . . Benny MacDonald of Ft. Worth, in addition to that big farm he's got, the ciggy machines and phonos he's operating, now going in big for horses. . . . Milt Marmar of Cincinnati seeking games. . . . J. R. (Pete) Pieters of Kalamazoo, Mich., bought himself what can be termed a "gentleman's farm" just outside of the Stove City and says, "I'm gonna make it look like 'Paradise'." . . . Si Redd of Boston, it's

Ed Levin, sales manager of ChiCoin, advised that he had named Fletch Blalock's outfit as distribs for Georgia and Ben Lazar for Western Pa.

It's What's In "The Cash Box" That Counts

Sam Gensburg and Sam Wolberg of ChiCoin much enthused over the reaction to their new and novel type bowling game called: "10th Frame Bowler." It's different. Both men expect plenty of business because of the unique action. . . . "Little" Jimmy Johnson of Globe came up with one this past week that deserves mention. Jimmy simply stated, "Look, we've got to have more room, here in this joint. Just tell 'em that no reasonable offer will be refused for the finest equipment in the industry." So, all you gotta do, is simply fill in the price—and that's it. . . . Watched one sales manager here red pencil out a bunch of distribs on his products this past week. . . . Just simply could not get Bill DeSelm or Johnny (Beanbag) Casola on the phone this past week. Both guys were scootin' about lookin' over some mysterious thisa and thata.

Ted Rubenstein of Marvel resting up between drives. . . . Dave Gottlieb enjoying skimming over the lakes up at Eagle River, Wis. in his boat and just listening to baseball broadcasts. . . . Detroit music ops now in the throes of depreciation problem with Uncle Samuel. (Whyn't you guys use 'E. O. M. Issue' of 'The Cash Box' as of [and beginning with] July 26 to prove your point.) . . . By the way, "The Confidential Price Lists" will celebrate 14th Year (728 week's issue) of unbroken, consecutive publication with the Sept. 20, 1952 issue. ## THRU THE COIN CHUTE CALIFORNIA CLIPPINGS

On the political plane, it was interesting to hear from Chicago Coin rep Phil Robinson that his brother, Abe Robinson, phoned him from Blair House in Chicago on that Thursday night before it happened to tell him that Gov. Adlai Stevenson was there with a group of friends waiting for the nod that came the next evening. . . . It turns out that Mary Jane Happel's home is in Minnesota, hubby W. E. Happel's in Milwaukee. Their recent 10,000 mile, six-week itinerary covered Niagara Falls, Yellowstone Park and back to Badger Sales by way of Oregon. . . . A long chat with Lyn Brown's wife revealing that she's real fond of her new Valley home and (lucky her and Lyn) their place seems to catch a nice southerly breeze that has them doubting all those stories about the Valley being a hot spot to live during the summer months.

Lucille Laymon tells us that Bally's "Palm Beach" is really a winner, even getting off to a greater start than the terrific "Atlantic City" did. . . . Also moving out steadily for the Laymons is Bally's "Champion" horse while Wurlitzers continue their nice sales pace. . . . Over at C. A. Robinson's, Al Bettelman tells us that United's new "6 Player Shuffle" with Match Score has won a great response from operators and players. United's "Stars" 5-ball is also doing a fine job, Al notes. . . . Jack Simon reports there's no summer slump for him, what with a big shipment of used Bally "Spotlites" scoring a big hit with his customers and Bally's "Palm Beach" doing just fine in the brand new department. . . . Abe Chapman was back at his desk after a few days down in Tia Juana. . . . Nick Carter appeared to be a busy man at the Nickabob, with several AMI customers waiting for him while he closed another deal on the phono.

Phil Robinson was out shopping for a fancy new tie to wear up to that B'nai B'rith Convention in Seattle, come August 23. What with Phil representing the Beverly Hills lodge, the other delegates will be expecting him to be a pretty splendid fellow, and Phil wouldn't want to let them down. While driving there and back with the Mrs., he's figuring on visiting the trade along the way. . . . Had a note from George Phillips in Manila indicating that there's a considerable shortage of good used music and games in the Philippines. . . . On the Row: Ed Wentzal of Sacramento, with wife and station wagon on vacation. . . . Charles Bonney from Flagstaff, Arizona. . . . Mrs. Noble Craver of San Diego, shopping for the Mr. . . . Bakersfield's J. G. Domingos. . . . J. W. Robertson of Elsinore. . . . Carlsbad's Lloyd Dindinger. . . . Jack Faust from Santa Ana. . . . Milton Noriega of Colton.

## THRU THE COIN CHUTE UPPER MID - WEST MUSINGS

The Lakes in Minnesota are drawing many tourists and the resort owners are reporting the best business that they have had in several years. Some of the coinmen who took advantage of the wonderful weather and made the trip into northern Minnesota to enjoy the fine fishing were: Irving Brodsky and his wife, Carousel Industries, Chicago; Harold Lieberman of Lieberman Music Company and his guests, Ed Wurgler of The Rudolph Wurlitzer Company and Irv Sandler of the Sandler Distributing Company, Des Moines, Iowa. . . . Ozzie Wurdiman of Don Leary Inc. is on vacation and is spending it at his cottage near Grand Rapids, Minn. . . . Ike Sundem and wife of Montevideo, Minn., have just returned from a motor trip through Glacier National Park and Ike said he is all set to really go back to work now. . . . **How To Use "The Confidential Price Lists"**

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

**FOREWORD:** Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

**METHOD:** "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.

**EXPLANATION**

- 1. Prices UP
- 2. Prices DOWN
- 3. Prices UP and DOWN
- 4. No change from Last Week
- 5. No quotations Last 2 to 4 Weeks
- 6. No quotations 4 Weeks or Longer
- 7. Machines Just Added
