THE GAMESMEN MEGA PACK

Real life experience! Choose your Ferrari F40 or the Porsche 968. Beat the clock, watchout for traffic-strewn rocks, loose gravel, oil slicks and everyone's favourite The Police.

This is unquestionable the most realistic and visually stunning computer golf game ever made. No other game can match its graphics or its features.

The ultimate fusion of car and driver. Experience the power, the passion, the performance. Race on the legendary Grand Prix courses including Monaco, Germany, Brazil, Japan and Detroit.

Weird things happen. The slime is on the rise, the Titanic has arrived, after 300 years, Vigo the Carpathian won't stay dead. Who you gonna call?

Puts you behind the wheel of five exceptional automobiles in a driving simulation that is guaranteed to ignite your adrenalin. Sense the awesome characteristics of each machine. They handle like the real thing, they brake like the real thing, they move like the real thing. Welcome to life in the fast lane.

Baseball that's so real and true-to-life it's like you can reach out and touch it. Better than 'Game of the Week' on Network TV — because you don't just sit there, you PLAY Hardball. In fact, Hardball is so real and lifelike, if you wear the kit while you play it, you just might get it dirty.

The wackiest miniature golf game in the world! Expect the unexpected. Each looney link was designed to have you ricocheting off the walls. Obstacles and hazards can spring to life. A serene green can gobble up your golf ball. Can your nerves take it or will your putter flutter?

Experience mankind's greatest space adventure. A stunning simulation of an Apollo moon flight with realistic depictions of every stage of the mission. There's zero margin for error in space so your composure must be icy cool as you descend to the hostile lunar surface.

F117A

Award-winning combat flight simulation F-19 Stealth Fighter, plus more missions to fly, more worlds to compete in, more advanced weapons to fire, more dramatic explosions to experience, all in improved Super 3-D graphics. F-19 gave computer games the first close-up look at America's radar-plusive jet and was named Simulation of the Year. Now, in 1991, the "black jet" returns to your computer after a triumphant performance in the Persian Gulf War. Joystick and hard drive recommended.

DuckTales

Bless me bagpipes! When will that thrill-seeker Scrooge McDuck ever quit? Never one to turn away from adventure, Uncle Scrooge has taken on his greatest challenge to discover the legendary five lost treasures and become the "richest duck in the world". Join Scrooge and the Ducktales gang: Gungho Flying Ace, Launchpad, the nephews, Huey, Dewey and Louie, and little Webby on their search. Together, they must trek through the treacherous Amazon jungle, down into the diamond mines of Africa, and even to the Moon! Are you "Duck" enough to join them on their adventure? Come along to Duckburg Headquarters and see for yourself.

NORMALLY **\$79.95** NOW **\$67.95**

A Boy & His Blob

Bob has come from the planet Biobolonia in search for an earth boy to help him save his planet. Join him in mysterious caverns beneath the earth searching for treasures. **\$74.95**
