

MANETTI
Motorsport

**MANETTI MOTORSPORT
A TEAM, A CHALLENGE**

It took less than a year for MANETTI MOTORSPORT to become one of the most prominent paddock team.

The expectations are great, but the ambitions are just as: MANETTI MOTORSPORT stretch the victory, in several categories, in all the competitions of the international calendar.

The Italian Alessandro Manetti, was one of the fastest kart drivers on earth with two world titles and three European championships to his name. He has stopped as an active driver for several years.

In recent years he has coached talented drivers with various teams. Manetti has now set up his own team: Manetti Motorsport, in order to be able to better supervise young talents.

MANETTI MOTORSPORT aims to discover the passion of motorsport to anyone wishing to improve their driving, or in order to practice to the competition at the highest level, but also and especially to accompany young talents to climb the highest steps of all categories and podiums.

MANETTI MOTORSPORT READY-RUN RACING SERVICES

MANETTI MOTORSPORT Team is structured to offer to its customers the best professional “ready-run” service;

We are equipped with motorhome and hospitality tent for the reception of drivers and their parents, and a tent dedicated to drivers and trainers.

Participating to the most important kart championships with its own technical organizational structure, MANETTI MOTORSPORT assist drivers in every race with his professionals staff and the following services:

- **Coaching by Alessandro Manetti**
- **Dedicated professional mechanics**
- **Engineer and technicians**
- **Track assistance**
- **Engines for tests and races by the best preparators**
- **Registration procedures**
- **Drivers management (press releases, web sites, social and more)**
